

ADAMS RELIEF ROLL IN MARCH TOTALED 1,396

Adams County had 1,396 persons on the public assistance rolls during March, or 2.7 per cent of the population, according to figures released at Harrisburg by the state Department of Public Welfare.

Payments to the county's relief recipients totaled \$61,845 or an average of \$44.30 per person per month.

Of the 20 counties in central Pennsylvania, only two had fewer persons on assistance than Adams County and only six had a better record than Adams on a percentage of population basis.

Lebanon County with only one per cent of its population, or 905, receiving assistance, had the best record.

MIFFLIN RECORD WORST

Cumberland showed only 1.2 per cent of its population, or 1,498 persons, receiving assistance. Franklin County had 1,666 persons on assistance or 1.8 per cent of its population. Lancaster had 1.4 per cent of its population receiving assistance or 3,965 persons.

York County has 2.3 per cent of its population or 5,445 persons receiving aid. Centre County has 2.3 per cent of its population or 1,840 persons, on the assistance rolls.

Dauphin County, with 8,625 persons on public assistance, has 3.9 per cent of its population receiving public help.

The largest percentage listed is for Mifflin County where 5.5 per cent of the population or 2,445 persons are on relief.

R. DILWORTH SAYS TOURISM AID ESSENTIAL

The Democratic candidate for governor of Pennsylvania, Richardson Dilworth, said in a press conference Tuesday in the Hotel Gettysburg that increased aid to tourism is "absolutely essential."

The press conference was part of a campaign stop in Adams County, and more particularly Gettysburg, when he lunched with the Adams County Democratic committeemen in the hotel, toured the Gettysburg Times plant and paid a visit to Gettysburg College.

He left shortly before 4 o'clock Tuesday to visit Franklin and Fulton Counties.

CITES LONG TREND

Dilworth said that "sometimes we don't realize how the times have changed. The state has reaped more revenues from tourism than from the agriculture and coal industry combined."

He said that the state has many natural surroundings which "don't cost much to be ready for tourists" and visitors to the state have quadrupled in the last four or five years.

Dilworth said that plans are being made to enlarge present facilities at many of our state parks and indicated that if the three branches of the government can join together, state aid will be forthcoming for many private facilities engaged in the tourist trade and recreational facilities.

ASKED ABOUT CORRUPTION

When questioned about the unemployment in Adams County and the industrial decline in the state generally, Dilworth said that it is a trend which started 60 years ago and will take some time to overcome. He advocated more federal and state funds to provide educational facilities for our young people. "Only 26 per cent of our students have the opportunity to get a college education," he said, while pointing out other states average over 50 per cent. He suggested (Continued On Page 9)

Smetana Services Set For Thursday

Funeral services for Stephen A. Smetana, 58, Lake View Drive, Carlisle, will be held at 2 p.m. Thursday at the Hoffman Funeral Home, 219 N. Hanover St., Carlisle.

There will be a viewing this evening from 7 to 9 o'clock at the funeral home. Interment is to be made in the Sunnyside Cemetery at York Springs.

Mr. Smetana was employed by the Federal Equipment Company at Carlisle. He was a member of the First United Church of Christ there.

He is survived by his widow, the former Eadie Cleaver of Gettysburg, and a son, Ronald S., at home. There are also two brothers, John, Lebanon, and Paul, Philadelphia, N.J.

Bouey New Mayor For Emmitsburg

J. Allen Bouey was elected mayor of Emmitsburg at the municipal election Tuesday.

A former two-term commissioner of Emmitsburg, he defeated Allen Stoner, who conducted a write-in campaign, 212 to 58.

Bouey, a World War II veteran, will succeed J. Edward Houck, who did not seek re-election as mayor of Emmitsburg.

Incumbent J. Norman Flax was elected to another three-year term as one of the town's commissioners. He defeated former Mayor Clarence G. Frailey 201 to 129.

GRAND REGENT OF WOMEN OF LOOM SPEAKS

Mrs. Jeannette Baumer, grand regent of the Women of the Moose, spoke Tuesday night at the session of the local Women of the Moose at the Moose home on York St.

Mrs. Baumer, a resident of Port Clinton, O., toured the battlefield and local museums Tuesday afternoon with a committee from the local group. Gettysburg was her only stop in Pennsylvania during her tour to all states as grand regent.

Members of four chapters, Gettysburg, Chambersburg, Harrisburg and Steelton, were present for Tuesday night's session at which Mrs. Baumer announced completion of the seawall project at Moosehaven at a cost of \$50,000. The seawall and a project involving a new pier and railing at the Moose home for the aged in Florida are being carried out entirely by the Women of the Moose. The national organization is seeking a donation of \$1 per member to pay for the construction.

4 REGENTS SPEAK

Nine College of Regent members served as escorts for Mrs. Baumer. They included Marie Keller, Thelma Yingling, Hilda Newman, Marcella Harpster, Virginia Lauver and Evelyn Rose of the local Women of the Moose; Mary Wiles, Chambersburg, and Charlotte Erb and Catherine Raudensky of Steelton. Mrs. Lauver is a past president of the National College of Regents and Mrs. Raudensky, a past deputy regent for Pennsylvania.

The four senior regents present, Jean Keller, Gettysburg; Ruth Poe, Chambersburg; Marian Beck, Harrisburg, and Kay Osley, Steelton, spoke briefly.

Mrs. Keller appointed the following nominating committee for the local chapter: Freda Troxell, Carrie Rhine, Florence Christner, Sarah Kint and Florence Breneman, past Senior Regents Thelma Yingling, Kay Davies, Evelyn Rose, Martha Strasbaugh, and Hilda Newman and the members of the executive committee. The first meeting of the committee will be May 1.

ORDER EXTRA STREET LIGHT

Bonneauville borough ordered a new street light and a stop sign at the meeting of the town's council in the Bonneauville fire hall Tuesday night.

In a session that ended by 10:30 o'clock, the Bonneauville borough fathers ordered the new light on Beck Rd. and asked the state to place a stop sign on the Two Taverns Rd. at its intersection (Continued On Page 2)

Launch Mightiest Rocket, Then Blow It Up To Study A New 'Bonus Experiment'

By HOWARD BENEDICT
CAPE CANAVERAL, Fla. (AP) — The great Saturn booster was launched successfully for the second time today and was deliberately blown up after the trial to dump 95 tons of cloud-forming water into the upper atmosphere.

With a tremendous roar and spurt of flame, the world's mightiest known rocket rode 1.3 million pounds of thrust to an altitude of 65 miles. There a signal from the ground detonated dynamite charges which ripped the vehicle apart spilling the water into the near-vacuum of space in a bonus experiment.

The National Aeronautics and Space Administration announced several minutes after the 9 a.m. launching that the flight was completely successful.

VANISHES QUICKLY

Observers saw the water quickly form a huge cloud of snow-like ice particles which spread several hundred feet across a clear sky. The great mass—higher than

MANY PROTEST OCCUPATIONAL ASSESSMENTS

The Adams County commissioners today were faced with a recurrence of an old problem—occupational assessments.

The assessments were prepared last summer. With thousands of changes made in the occupation assessments, the commissioners traveled all over the county last September to permit appeals by those dissatisfied with their new assessment.

About 700 attended those sessions but the last week or so the commissioners are hearing from a good many others who apparently felt the whole thing was academic, then but want some relief now that additional school boards have placed a tax on occupations.

The commissioners said today they regret it, but they can make no changes in 1962 occupational assessments. Those who may want a change in 1963 should notify the commissioners in August so appeal dates may be set.

The commissioners suggested however that the school boards using the assessments as a basis for taxation might be able to help those who feel they are unjustly taxed.

Other problems before the commissioners at their meeting in the courthouse this morning concerned air conditioners for the vault being constructed for the register and recorder's office. The question of one air conditioner for the two vaults or two separate ones will be decided by the commissioners this afternoon.

SOROPTIMIST CLUB ELECTS TWO MEMBERS

The Soroptimist Club of Gettysburg elected two new members at a business meeting Tuesday evening in the Adams Electric building. They are Mrs. James Knox of Prosperity Cleaners and Miss Jane Stallsmith of the Warner Hospital staff. More than 30 members attended the meeting presided over by Dr. Elizabeth Gregg, president.

Announcement was made of the new district and regional officers elected at the recent conference at Atlantic City, N. J. They include regional governor, Miss Marianne Oelwein of Harrisburg; western district director, Mrs. Erma Winner, Williamsport, and district secretary, Mrs. Lulu Carl, of Chambersburg.

Those attending the conference from the Gettysburg club were Dr. Gregg, Mrs. H. W. Baker and Miss Evelyn Alfolt, delegates, and Mrs. Frederic Griest, Mrs. S. A. Burton and Miss Anna Weaver. A report of the conference was postponed until the May business meeting.

\$700 FOR LIBRARY

Mrs. George Eberhart reported that approximately \$700 in membership dues had been collected so far in the drive for funds for the Friends of the Adams County Public Library and more donations (Continued On Page 3)

WILL PROBATED

The will of Effie B. Geigley, late of Hamiltonban Twp., has been entered for probate at the office of the county register and recorder. The First National Bank of Gettysburg is executor of the more than \$14,000 estate.

Adams Unit Of PFA Meets This Evening

President G. A. Biggs of the Pennsylvania Farmers' Association will be the speaker this evening when members of the Adams County Farmers' Association gather at the REA building here for their annual spring meeting.

There will be a report on the 1962 membership campaign which has already topped the goal of 456 and Miss Shirley Bair, daughter of Mr. and Mrs. Theron Bair, Littlestown R. 2, will give a Youthpower report. She recently went to a Youthpower Congress at Chicago as the Adams County representative.

Farm women of the county will hold a separate meeting this evening and will make plans for the summer picnic to be held on July 26. Mrs. Otis Livingston, Hamilton Twp., is president of the women's group.

End-Of-Month Sale This Week

Gettysburg merchants will hold their second annual "End-of-Month" sale Friday, Saturday and Monday, it was announced today.

The sale originated last year and it proved so successful that the merchants decided to hold it annually. Each participating merchant will be identified by a colored pennant on the window of his place of business.

The sale will begin Friday morning at 9 o'clock, continue through Friday evening, Saturday evening and all day Monday.

"Unusual sales values will be available," a spokesman for the group said.

PLAN SPRING CAMPOREE AT LITTLESTOWN

Plans for the annual spring camporee of the Black Walnut Boy Scout District were outlined Tuesday evening at a round table meeting for unit leaders at the West St. branch of the Gettysburg National Bank.

The camporee will be held May 25, 26 and 27 at the Littlestown Fish and Game Association farm near Littlestown.

The general program for Friday, May 25, will include registration and setting up of camp followed by a program on astronomy. Taps will be at 11 o'clock, followed by a meeting of leaders.

CUBS TO ATTEND

Saturday, May 26, following breakfast, the program for Boy Scouts, from 9 a.m. to 12 noon, will be an obstacle course. Following patrol and unit cooking at noon, the Boy Scouts will conduct a program in "Class A Camping" during which each unit will do its utmost to improve its individual encampment. The camp sites will then be visited by judges and a prize awarded the best camp.

From 3:30 to 4:30 courses will be held on first aid, rope specialties, map reading and use of compass. Following supper a general campfire program will be held with stunts based on the physical fitness program.

Cub Scouts will attend the camporee Saturday afternoon and evening. Following registration at 3 o'clock, courses will be held on tree study, bird study and animal studies. At 6 o'clock a picnic will be held for all of the Cubs (Continued On Page 3)

SOCIETY GIVEN LINCOLN BADGE

A badge that was used in Abraham Lincoln's first presidential campaign was presented to the Adams County Historical Society by Congressman George A. Goodling Tuesday afternoon.

The presentation took place in Dean Charles Glatfelter's office at Gettysburg College. The dean, who is vice president of the society, said that the campaign badge will be displayed when permanent quarters are established for the society in the old dorm at the Lutheran Seminary.

The badge was obtained through the efforts of Rep. Paul B. Dagge of the Ninth Congressional District of Pennsylvania and the generosity of Clayton D. Holman, Downingtown, owner of the badge.

The badge was used in Lincoln's first presidential campaign in 1860 and portrays the 16th President without a beard. Inscribed on the badge is "Lincoln, Hamlin, and Liberty." and "Protection of American Industry." Hannibal Hamlin was a Lincoln's running mate in 1860 and the industry protection referred to the tariff question during that period.

Man Loses Teeth Changing Car Tire

Arnold Harrison, 32, R. 3, was treated at the Warner Hospital Tuesday for injuries to his mouth which he suffered when he was struck by a tire rim while removing a tire from a car at the Arnold Shell Station, Buford Ave. Harrison had two upper teeth knocked out and suffered multiple laceration of the upper and lower lips, and the chin.

William Harner, 34, Bendersville, was treated Tuesday for the removal of a foreign body from his left eye.

PAINTING FOR PLEASURE IS TORCH TOPIC

"Painting for Pleasure" was the topic of a talk by Ernest Krape Tuesday night at a ladies' night dinner held by the Adams County Torch Club at Trinity United Church of Christ.

"People wish to paint as a means of self expression," Krape said. "It is a medium similar to the spoken word or music. Painting means conveying an appreciation of something. The artist finds pleasure in conveying a concept of beauty or human interest."

Present day tendencies are away from sentiment in painting, Krape said. Instead "subjects of mystery, vigor and excitement are stressed. Everything under the sun, from a heart valve to the madonna; from the minutest plant to the greatest tree; from the belle to the stone mountain has been painted. Almost everything is a painting subject, but the aim of the artist is to do a subject different from others. Style in painting is the trait in a painter which distinguishes his work."

DISPLAYS PAINTINGS

Krape, who has instructed many local students in art, does not believe in suggesting subjects, explaining "that is a matter to be left to the individual." He noted that equipment need not be expensive or elaborate and ob-

Mr. and Mrs. John E. Snyder, R. 6, have sold a new home on Early Ave. at Twin Oaks to Prof. Harry F. Bolich, Gettysburg R. 1. Immediate possession will be given.

Mr. and Mrs. Donald C. Uber, Orlando, Fla., have sold their home at 319 Barlow St. to Sheriff and Mrs. Dawson Miller. Immediate possession is being given. Both sales were made by William A. Bigham, local realtor.

DR. R. T. STAMM OF SEMINARY FACULTY DIES

Dr. Raymond Thomas Stamm, 68, member of the faculty of the Gettysburg Lutheran Theological Seminary faculty since 1926 but on an inactive status in recent years, died this morning at 6:15 o'clock at Devitt Home, Allenwood, near Williamsport, Pa.

He had resided there in recent years during which time he had

DR. RAYMOND T. STAMM

been in impaired health. A heart condition developed Sunday.

Dr. Stamm was a native of McEwensville in Northumberland County and a son of the late Jacob Calvin and Lydia Long Stamm. He was graduated from Milton High School in 1912 and was valedictorian of his class at Gettysburg College in 1920. Three years later he was graduated from the Gettysburg Lutheran Theological Seminary and in 1926 received his Ph.D. from the University of Chicago.

WRITING, LECTURING

He had taught school for three years from 1912 to 1915 in his home township of Turbut in Northumberland County after his graduation from high school. At Gettysburg College he became a member of the Phi Beta Kappa honorary scholastic fraternity.

He became the Philip H. and Amanda E. Glatfelter Professor of New Testament Language, Literature and Theology at the seminary here in 1926 and had maintained an active relationship with the seminary from that time. Because of impaired health, he had been an inactive status in recent years. He devoted much of his time to writing and study in connection with studies he had been making on the Gospel of John. He also delivered occasional lectures.

He was a member of Christ Lutheran Church here and when he was a resident of Gettysburg, lived at 123 Springs Ave. He was also a member of the Society of (Continued On Page 2)

Junior Class Play At GHS On Friday

"Old Doc," a three-act drama by Jean Lee Latham, will be presented by the Junior class at Gettysburg High School Friday evening at 8 o'clock in the school auditorium.

Cast in the title of Old Doc, a gruff, vigorous man of 70, will be Richard Schubart and Russell Rosenberger will appear as his son, just graduating from medical school.

Other major roles have been assigned to Mary Nell Sergeant, Bonnie Smith, David Jones, Allen Knouse, Elsa Heimerer, Michael Reimer, Lloyd Gilbert and Barbara Allison. Completing the cast will be Donna Stone, Patricia Tawney, Mary Alice Rich, Ann Ruchelschus and Mary Bucher as friends and patients of the old doctor.

The play is under the faculty direction of Miss Ruth McIlhenny and Mrs. Mary Elizabeth Smith.

First Explosion In New Nuclear Tests Expected Momentarily In Pacific

By ELTON C. FAY
AP Military Affairs Writer
WASHINGTON (AP) — The U.S. nuclear count-down is under way. The first explosion of the new test series could thunder out in the remote Pacific at any hour.

President Kennedy gave his final approval Tuesday for the series of test shots in the atmosphere. The Atomic Energy Commission announced the tests would begin "as soon as operationally feasible."

This meant, said an AEC spokesman, the first shot will be triggered any time in the next few days, as soon as the weather, the weapons and the elaborate experimental facilities are "go."

"OPPOSITE TESTING"

Kennedy's authorization for the tests to proceed came in a day of appeals and warnings against resumption of testing. U. Thant, acting secretary-general of the United Nations, and India's Prime Minister Nehru urged the great powers to refrain from testing. In

Exchange Sponsors Model Plane Club

After hearing Harold Gruver, Hanover, chairman of model aviation for the Pennsylvania State Exchange Club, speak on the responsibilities and duties of being a sponsor, the local exchange club Tuesday evening at its meeting in the Lamp Post Tea Room voted to sponsor the Gettysburg Model Aviation Club.

The club had been seeking a sponsor for some time and as a result of the action, guidance, advice and financial needs will be supplied by the exchange when necessary.

Gruver noted that the exchange should not take over the club as such, but only "guide it along the right lines."

President Jack Chronister was in charge of the meeting attended by 25 members.

ANNIE DANNER CLUB MARKS ITS 35TH YEAR

The 35th anniversary of the Annie Danner club was observed Tuesday evening at YWCA, with 53 persons present. Refreshments were served buffet style.

A musical program was presented by a mixed chorus from the Gettysburg High School Senior Choir under the direction of Paul W. Grove. Numbers presented were: "Early in the Morning," "He Never Said a Mumble" Word," "Thou Art Worthy," "The Christ Theme" from Ben Hur and "Set Down Servant." The soloists were Ted Gilbert and Alice Nutter. The program closed with a premiere of a new arrangement of "The Gettysburg Address." Pianists were Misses Sharon Nett and Cathy Nett.

Guests were introduced by Miss Wynona Woodward, retiring president of the club. These included present YWCA executive director, Mrs. Ralph D. Heim, and a past executive director, Mrs. Conway Williams; the president of the board of directors, Mrs. Roy Hammond; president of the Business and Professional Women's Club, Mrs. Edith Bushman, who presented the club a gavel made of wood from the battlefield on behalf of the B and P's.

Mrs. Hadwin Fisher, first president of the board of directors of the Gettysburg YWCA who reminisced on the founding of the YWCA and how she became the first president of her association with the members of the "Y" during the years.

Mrs. Johneta Stouch, president of the Annie Danner club, and Mrs. Ruth Johns, housekeeper of the YWCA, also were introduced. Remarks were heard from Mrs. Guyon Buehler, a past president of the YW. Cards and letters were read from members now living in California, New York, Ohio, Virginia and Pa.

New officers of the Gettysburg Veterans of Foreign Wars will be installed at the meeting of the post this evening at 8 o'clock at its home on E. Middle St.

LITTLESTOWN'S FIRE DAMAGE IS OVER \$78,000

Damage caused by the fire in Littlestown Tuesday has been estimated at \$78,400 by Alpha Fire Chief Richard Stuller. The loss was partially covered by insurance.

Littlestown firemen remained on the scene until 9 o'clock Tuesday night to prevent spread of fire from the smoldering ruins of what had been earlier that morning a warehouse filled with furniture, a garage, the shop of a building contractor and utility poles.

With the fire occurring within a few feet of the main substation of the Metropolitan Edison Co. in Littlestown, power was cut off to of community shortly after the fire began. It was restored by 5 p.m. Tuesday as a result of the efforts of crews of utility workers. The Metropolitan Edison Co. lost five poles in the fire, along with equipment, and the Hanover office of the utility gave a "first estimate" of \$10,000 loss.

\$50,000 IN FURNITURE

Greatest loss was to the Geisler Furniture Co. Its destroyed warehouse was estimated as worth \$5,000 by owner Raymond Geisler. Loss of contents was estimated at \$50,000. The building, a former cigar box factory, was filled with new furniture for the Littlestown store. Fire Chief Stuller said the furniture store loss was partially covered by insurance.

Charles A. Hofe, Littlestown building contractor, estimated loss (Continued On Page 3)

MRS. E. DEILY NAMED HEAD OF GOP WOMEN

Congressman George A. Goodling addressed the Adams County Council of Republican Women at the VFW Tuesday evening when the husbands were guests at a covered-dish supper. Sixty-one were present.

The report of the nominating committee, Mrs. Edward C. Zinn, New Oxford, chairman, Mrs. Margaret Garretson and Mrs. Howard Hartzell, was accepted and the following officers were elected: President, Mrs. Earl Deily, East Berlin; vice presidents, Mrs. Scott, Mrs. Harriet Lauver, Mrs. Hartzell and Mrs. Gitt; corresponding secretary, Miss Elizabeth C. Evans; recording secretary, Mrs. Henry Fehs; treasurer, Mrs. Clark Fey. These officers will be installed at the May 22 meeting.

DEPLORES DEBT

Goodling said that "the greatest challenge to our country does not lie abroad but in the desire of some in high office for power and centralization of power. Unless we take care we will lose our home rule. The administration's motto of 'something for everybody' could be so big that it will take everything you have."

He said the current debt of three hundred billion dollars is "frightening." Ten billions of dollars are required for interest charges. He said the debt ceiling had twice been raised under Kennedy and another is expected. He also referred to the tax bill, (Continued On Page 2)

STORAGE TANK OF PETROLEUM CATCHES FIRE

By BOB M. GASSAWAY
HOUSTON, Tex. (AP)—Flames shot 10 stories high today from a petroleum storage tank that exploded as escaping fumes floated across a highway.

Four persons suffered severe burns as the blaze erupted shortly before midnight. A woman living nearby suffered a heart attack.

A passing car apparently touched off the blast at a Sinclair Refining Co. tank farm on the Houston ship channel. The flames were visible in downtown Houston, 20 miles distant.

Houston Fire Chief C. M. Bullock had conflicting reports on whether the 85,000-gallon tank contained gasoline or diesel fuel. It was three-fourths full.

ALLOW TO BURN

A Sinclair worker said the tank would be allowed to burn out "because it might explode if we try to put it out and it cools too quickly."

About 150 firemen from Houston and nearby communities fought the blaze. Police asked residents of a nearby subdivision to leave so rooftops could be soaked.

Injured were James E. Shepard, 43, of Houston, a worker at the tank farm; James Duke, 25, and Judy Taylor, 21, both of Pasadena, a Houston suburb, and Allen Buchneck, 21, of Genoa, Tex.

The woman who suffered a heart attack was Mrs. Letha Miller, 45, of Houston. Three firemen were overcome by smoke.

KHRUSHCHEV APPOINTS NEW AG MINISTER

By GEORGE SYVERTSON

MOSCOW (AP)—Soviet Premier Khrushchev set in motion today the machinery to write a new constitution and disclosed that he has put a new man into the hot seat of agriculture minister.

Khrushchev, in a brief speech to the Supreme Soviet, said the country's old Stalinist constitution of 1936 has been outgrown.

A new constitution reflecting the ideological heritage of Lenin is needed, he said, to provide more solid "guarantees for the democratic rights and freedoms of the working people."

The Soviet Union, he said, has developed from a proletarian dictatorship into a proletarian democracy.

Among other things, he said, there must be strict observance of Socialist legality—meaning safeguards against the secret police power once exercised by the executed Lavrenti Beria.

NEW CONSTITUTION

Khrushchev said a new constitution is demanded because "socialism has gained in our country full and complete victory" and the nation is now entering the phase of all-out communism.

From the standpoint of foreign relations, he went on, a new constitution is demanded because the Soviet Union has "emerged from capitalist encirclement" and must now consider problems of peaceful coexistence with other social systems in the world, and conduct relations with many other Communist countries.

NEW COUNCIL

In presenting a new 71-member Council of Ministers, or cabinet, Khrushchev left virtually unchanged the old council which resigned Tuesday under routine procedure. The new council was unanimously approved by the Supreme Soviet.

The chief switch was the replacement of Agriculture Minister Mikhail Olshansky, who had held the job only two years, by Konstantin Pysin, known to few outside.

Olshansky apparently was shelved because he failed to solve the Soviet Union's pressing agricultural problems.

Tass, the official Soviet news agency, said Pysin was Olshansky's first deputy from 1961 until a few days ago, when he apparently slipped into his new job without official announcement.

Student Killed In Auto Crash

WILLIAMSPORT, Pa. (AP)—One student was killed and two companions injured, one of them critically, when their automobile crashed into a pole one mile west of Williamsport at 2:45 a.m. today.

Pronounced dead at the scene was Rodney Peterson, 20, of Cochranton, R. 2, Crawford County.

In critical condition at Williamsport Hospital was Kenneth B. Sherlock Jr., 20, Lewistown, R. 2, with a fractured skull, a broken jaw and other injuries.

The driver, William J. Hancock, 21, of Mount Carmel, suffered cuts of the leg.

State police said the young men were students at Williamsport Technical Institute. Officers said they were driving west on Rt. 220 when the car apparently went out of control on a curve, struck the pole, and rolled over.

Wedding

Bixler-Miller

The wedding of Miss Barbara Ann Miller, daughter of Mr. and Mrs. James W. Miller, 23 N. Sixth St., McSherrystown, to Glenn Edward Bixler, son of Mr. and Mrs. Glenn C. Bixler, Hanover, R. 2, was solemnized Saturday morning at 10 o'clock at a nuptial Mass and double-ring ceremony conducted by the Rev. Francis M. Lahout at the Annunciation of the Blessed Virgin Mary Church, McSherrystown.

The altar was decorated with vases of light pink and white snapdragons, white carnations and palms. Mrs. Catherine Henry, church organist, presided at the organ and the children's choir sang.

The bride, who was given in marriage by her father, was attired in a long white silk organza gown with elbow-length sleeves, scalloped sabrina neckline, featuring iridescent sequins on a Chantilly lace insert. Her full skirt featured front and back lace panels with a back bow of organza ending in a chapel train. She carried a white orchid on an ivory and mother of pearl missal.

The maid of honor, Miss Jeanne Marie Bushey, Hanover, a niece of the bride, wore a street-length dress of yellow nylon organza featuring a dropped neckline with capped sleeves. The midriff was accented by a band of embroidered organza. The full bouffant skirt featured a deep belt with a border of embroidery. She wore a matching rose and petal headpiece with a chin veil. She carried green carnations and white roses.

The bridesmaids were Miss Pauline McMaster, Abbottstown, R. 1; Miss Margaret Whisler, Hanover, and Mrs. Calvin F. Bange, Camp Hill, sister of the bride. They wore dresses similar to that of the maid of honor in Nile green and carried yellow carnations and white sweetheart roses.

6 SCHOOLMEN ATTEND DINNER

Six representatives of the Gettysburg Joint School system attended the fourth annual dinner meeting of the South Penn Study Council, Group D, at the Melrose Elementary school in Harrisburg Tuesday evening.

The principal speaker was Dr. H. M. Brickell, assistant superintendent of schools at Manhasset, Long Island. He discussed school operation with special attention to the policy-making function of the school board and the administrative duties of the superintendent or supervising principal.

Dr. L. Eugene Jacques, superintendent of the Derry Township schools at Hershey, group chairman, presided and there were greetings from Dr. Fred Bryan, Harrisburg superintendent of schools; Carl B. Stoner, president of the Harrisburg City Board of School Directors, and by Dr. Matthew J. Pillard, study council's associate from the University of Pennsylvania.

There was a choral reading demonstration by eight Sixth Grade pupils of the Harrisburg schools under the direction of Mrs. Naomi Rysor.

The local delegation included Superintendent of Schools H. Edgar Riegle and these directors from the Gettysburg Joint School Board: Robert H. Deardorff, vice president of the joint board and president of the Gettysburg Area school board; Robert W. Weaver, Orville B. Orner and Horace Waybright of the Gettysburg Area board, and Hugh C. McIlhenny of the Straban Twp. board.

Gettysburg is one of 12 school districts which make up Group D. The others are Carlisle, Chambersburg, Derry Township, Hanover, Harrisburg Lebanon, Mechanicsburg, Middletown, Shippensburg, Waynesboro and York.

List Judges For "Junior Miss" Test

Judges for the Adams County "Junior Miss" pageant to be held on Saturday, May 5, in the Littlestown High School auditorium, under the sponsorship of the Littlestown Lions Club, have been announced by the general committee on arrangements.

They will include State Senator Elmer Hawbaker, Mercersburg; Dr. Beverly Canning, head of the drama and speech department, Hood College, Frederick; Mrs. Robert Smith, professional model, Hanover; Prof. Alfred de Long, associate professor of music, Western Maryland College, Westminster, and Grover C. Gouker Jr., executive secretary of the Pennsylvania Association of Candy Distributors, who is a past national vice president and a past state president of the Junior Chamber of Commerce.

Rehearsal for the contestants, representing the nine Lions Clubs in the county, will be held at 2 p.m. this Saturday at the high school. Mrs. Harold R. Hand, Littlestown, a former professional model, will assist the contestants. In addition to the two Littlestown "Junior Misses," Joan Barton and Robin Thomas, the following have been selected by the various clubs to date: Sharon Lee Nett and Barbara Ann Beard, Gettysburg; Andrea L. Bream, of McKnightstown, by the Cashtown club, and Barbara Bel Bolger, York Springs.

entertained and that section of the program will close with "Climb Every Mountain" by the choir with an alto and baritone duet by Joanne Musselman and John Shepard.

OTHER FAVORITES

The final section of the program will open "I'm Falling in Love with Someone" from "Naughty Marietta" and "Ah Sweet Mystery of Life" from the same show with an alto solo by Joyce Ripley, Carolyn Starr will have the soprano solo part in "Kiss Me Again." The choir will sing "Thine Alone" with a duet by Linda Naugle and Tom Osborn.

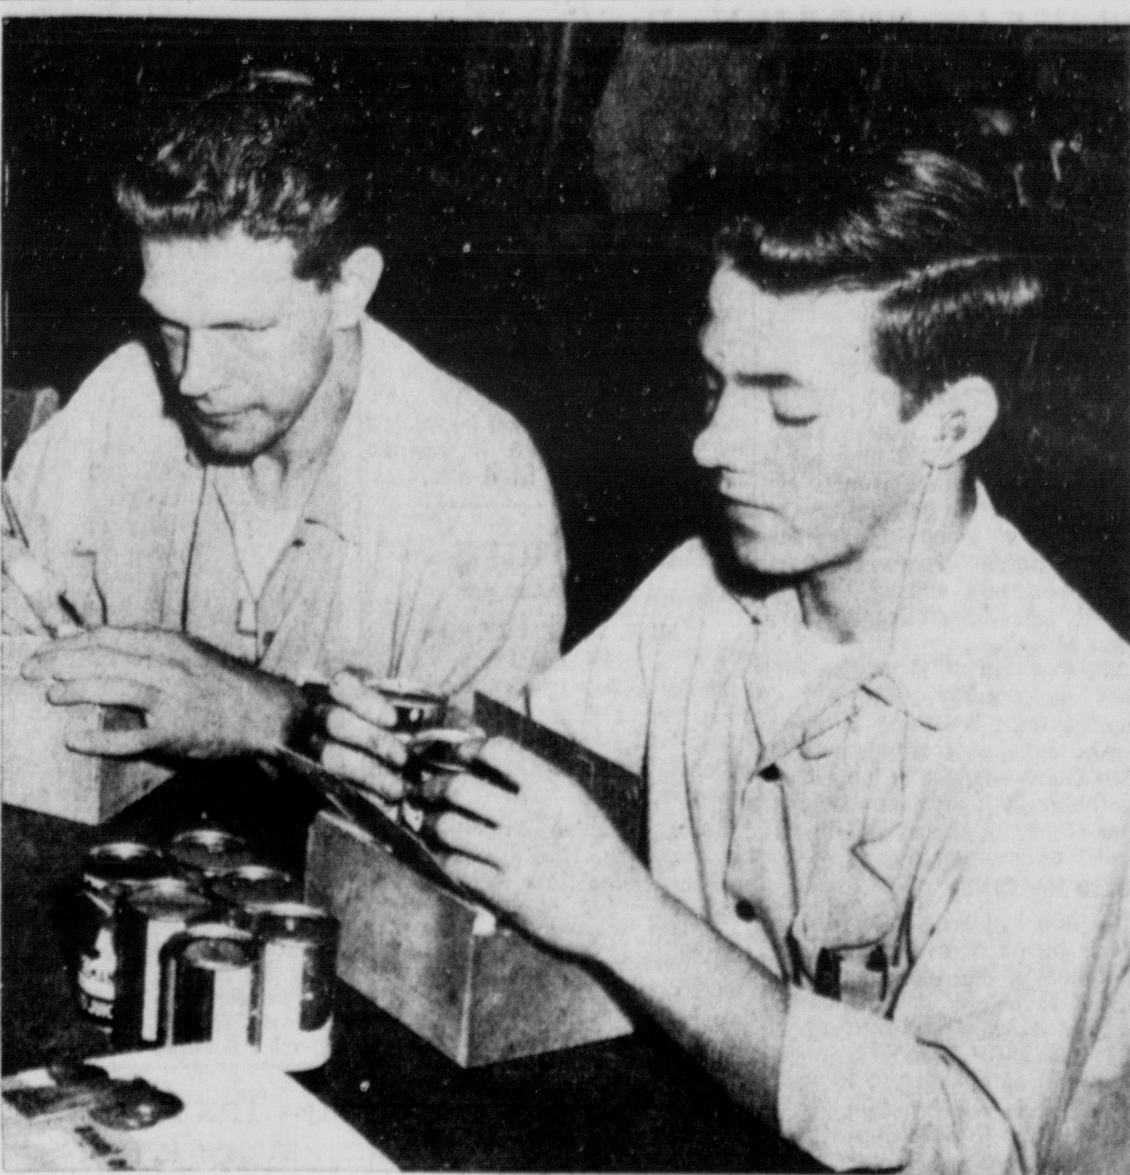

Ray VanDyke will take the baritone solo as the choir sings "Gypsy Love Song," and the concluding selection will be "Italian Street Song" from "Naughty Marietta" with the soprano solo by Jane Wright.

The choir accompanist will be Carol Crum.

Mrs. Grace Sheely is in charge of costumes and Mrs. Mary Ryman heads the committee on posters and scenery. Clyde Cover is in charge of the stage sets. Choir officers are: President, Tom Osborn; vice president, Brenda Bean; secretary-treasurer, Ann Bushey, and business manager, Gary Wright.

COMPLETES COURSE

Pvt. John W. Myers has completed the communications center operation course at the Army Signal Training Center, Fort Gordon, Ga. During the eight-week course Myers was trained to receive, process and relay messages by various means of communications. He entered the Army last November and completed basic training at Fort Knox, Ky. The 23-year-old soldier, son of Mr. and Mrs. John C. Myers, R. 3, is a 1956 graduate of Gettysburg High School.

C. H. Musselman Company, Occupational Services, Inc., Utilize Handicapped Persons

If it's impractical, for good reason, to hire handicapped people in an industrial plant, why not take the work to the handicapped?

This is answered in the case of a new relationship between The C. H. Musselman Company, Biglerville, and Occupational Services, Inc., Chambersburg.

In spite of a sense of responsibility and recognition that handicapped people are frequently superior workers, the Musselman Company, due to the seasonal nature of its operations, finds it impractical to employ many such people. However, in a chance meeting between J. Henry Donahar, Musselman production manager, and Richard Nye, director of Occupational Services, Inc., (schoolmates at West Chester State College some years ago), they discovered common ground for getting a job done and at the same time employing the handicapped.

PACK 7,500 CASES

The Musselman Company packs tomato juice in 6-oz. lithographed cans. Most of these are packaged 48 to the case, but a relatively new idea calls for some to be "multipacked." This means inserting six cans into a specially designed sleeve. It means, further, a great amount of tedious work. And still further, the kind of work that can be done profitably by certain handicapped workers.

After the details were worked out by Donahar and Nye the first truckload of 300 cases was delivered to OSI in Chambersburg on November 22, 1961. From this date until the end of January, 1962, 7,500 cases were assembled by a small crew of handicapped workers.

Occupational Services, Inc., is an organization primarily concerned with rehabilitating and retraining handicapped persons and preparing them for outside employment. In its small workshop it also offers continuous employment or activity for those too severely disabled to meet the standards of the competitive employment market.

HELP BOTH SEXES

OSI accepts both mentally and physically disabled people of all types and both sexes. During the year of its existence since September, 1957, it has provided services in the workshop for 80 handicapped individuals; 37 mentally retarded; 14 cerebral palsied; 10 visually handicapped; 6 inactive TB; 3 polio; 2 epileptic; 2 cardiac; 1 amputee; 1 speed; 3 deaf and 1 hemophiliac. 60 percent of these people have permanent disabilities.

Normal employment at the workshop is 35 to 40 persons from three counties; Franklin, Cumberland and Adams. Transportation is provided daily for five to 10 people from Adams County in an OSI station wagon.

The program provides its trainees with sub-contract work from local business and industry such as the Musselman job. The shop simulates local working conditions as much as possible, with regard to hours, days, quality and quantity of production, shop maintenance, etc. with trainees receiving a small rate of pay for their work.

WORKING 15 JOBS

Currently 15 sub-contract jobs are in progress covering a wide range of diversity such as covering wire hangers with cardboard protectors, wrapping bolts and washers in instruction sheets, re-finishing furniture and stringing bells on laces for soft baby shoes. Nye is constantly on the lookout

to his building, consumed along with the warehouse, at \$10,000. That figure covers the building, tools, lumber and building materials stored there. Hofs's loss was also partly covered by insurance.

Damage to the roof and attic of the home of Mrs. Allie Hollinger, at 106 Lumber St., which caught fire from sparks from the other fires, was estimated at \$2,000 and was said to be covered by insurance.

SOME CHURCH DAMAGE

Damage to the Ralph DeHoff garage, cross the street from the warehouse, was estimated at \$1,000 to the garage building itself and \$200 to cars in the garage. That loss was also partially covered by insurance.

Damage to the Sunday School rooms of the Redeemer's United Church of Christ, was estimated at \$200. All of the damage was to the exterior and to windows and is covered by insurance.

FIREMEN PAISED

Littlestown firemen, called about 10:30 a.m. Tuesday when the fire began, called in Taneytown, Kingsdale and Gettysburg firemen to assist as wind spread the flames to other structures in the relatively crowded area. When the fire was brought under control soon after noon the other companies were permitted to return to their homes while Littlestown firemen remained on duty for the "mop-up" operations.

Praise was given the Alpha firemen for their skill in preventing spread of the fire further, particularly to the church. The rear of the Sunday School department of the church was less than 20 feet from the fire which licked against the structure. But by playing streams of water on the church structure the firemen were able to keep the blaze from setting that building afire.

The person who discovered the fire Tuesday morning was incorrectly identified in Tuesday's report as Mrs. Allen Noble. The correct name is Mrs. Harold Noble, 126 Lumber St., who discovered the flames from the back yard of her home, not far from the blazing building.

DISPLAY OLD PICTURES

The program concluded with group singing led by Miss Verna Kitzmiller accompanied by Mrs. Mildred Adlesberger. Club pictures taken throughout the 35 years were on display.

The tea table was decorated with a centerpiece of spring flowers received from Mrs. Willard S. Paul, a former YWCA president. There was also a decorated anniversary cake, engraved napkins and blue and white candles. Mrs. Johneta Stouch resided at the tea table.

Committees for the anniversary event included: Invitations, Miss Martha Lentz, Miss Verna Kitzmiller, Mrs. Adlesberger, Darlene Wagner, Sophia Matthews and Mrs. Stouch; refreshment, Miss Martha Lentz, Beulah Kuhn, Margaret Weaver and Ruth Johns, and receptionists, Arlene Murray, Violet Kidwell and Lottie Harman.

STOCKS DECLINE

NEW YORK (AP) — Steel headed a sharp stock market decline early this afternoon. Trading was moderate. Aluminum retreated. The Associated Press average of 60 stocks at noon was off 1.50 at 253.40 with industrials off 2.40, rails off .60 and utilities off .60. Losses of key stocks went from fractions to 2 or 3 points. Steels more than wiped out their recovery of the previous session when they were anticipating U.S. Steel's action in declaring the regular 75-cent dividend.

served. "Artistic ability often develops rapidly, and the work of the amateur often surpasses that of the professional. The test of good painting is not the reputation of the artist, it is rather subject to the likes and dislikes of the persons viewing it."

Krape, assisted by Hollis Dick, showed a number of paintings of landscapes, flowers and trees done by students.

A graduate of Williamson School, Krape has studied at Norton Museum of Fine Arts in Palm Beach, Fla., and at Pennsylvania State University. He has been a resident of the Gettysburg community for 10 years.

The club voted to place a book in memory of the late Rev. Amos W. Geigley in the Adams County Public Library. President Lloyd C. Keefe presided. Guests introduced included Mr. and Mrs. Walter Nitzkewitz, Mr. and Mrs. Hollis Dick, Mrs. H. J. Hewitson and Miss Elsie Darrah. The speaker was introduced by Daniel Skelly.

Sunrise Service Held At Mt. Carmel

The Easter sunrise service at the Mt. Carmel EUB Church Sunday morning was well attended with the Rev. C. Reynolds Simmons Jr., pastor of the Gettysburg Church of the Brethren, delivering the message. The service was held at 6 o'clock under sponsorship of the Young Adult Class of which Mrs. Gladys V. Rebert is the teacher.

The pastor, the Rev. Alfred K. Gotwalt, presided at the service which opened with a prelude by Mrs. Clyde Metz and the call to worship by the Rev. Mr. Gotwalt. After the hymn "Christ, the Lord, Is Risen Today," scripture was read from the 20th chapter of John by Mrs. Rebert. There was a trumpet solo by Kenny Gotwalt with Leanna Lightner as accompanist. After prayer by the Rev. Mr. Gotwalt, the Mt. Carmel choir sang an anthem with Mrs. Clyde Metz as accompanist.

The Rev. Mr. Simmons spoke and then there was a duet "He Lives" by Mary Alice Ruch and Virginia Spence. Mrs. Metz was the accompanist.

Two dummy upper stages were filled with water to simulate the weight of the upper assembly to be carried on future Saturns.

It was this 23,000 gallons of water which was spilled into the icy ionosphere in a secondary scientific experiment dubbed "Project Highwater."

FURTHER KNOWLEDGE

By tracking the cloud and recording its action scientists hoped to gain further knowledge of the upper atmosphere.

Officials were jubilant. Two straight successes in the program have given added impetus to America's plan to race the Soviet Union to the moon.

Richard Canfield, Saturn project officer, reported the good shots show that a vehicle such as Saturn certainly is feasible.

Canfield said primary purposes of the flight were to evaluate propulsion, aerodynamic characteristics, guidance and other systems in the first stage.

He said only minor changes have been made as a result of the highly successful maiden flight last Oct. 27.

TO GIVE AWARDS

The Explorer program Saturday morning will be based on archery, bait casting and other outdoor skills. Competitive sports will occupy the afternoon.

Sunday morning a Protestant service will be held at 7 o'clock at the campsite while the Catholic Scouts attend Mass at St. Aloysius Catholic Church in Littlestown.

From 10 to 12 a physical fitness program will be held. At 2 o'clock that afternoon awards will be presented and the units will break camp.

Joseph Sunbury and David Heinley were in charge of the Cub Scout section of the round table program; Herbert Fruehan in charge of the Boy Scout leaders' session and Stanley Frock was in charge of Explorer section of the meeting.

DAR Warned To Care For Own Children: "The way to make a bad boy worse is to send him to prison," Amos O. Squire told the Daughters of the American Revolution Friday in Washington, addressing the final session of the DAR's forty-sixth annual congress. "We might contribute much to the boy of today in the lessening of delinquency if we would pay more attention to our own children. We have been talking for years about the underprivileged boy or girl as if they were in some other household. I wonder if we look carefully we could not find them sometimes in our own home. Let us retain the love and confidence of our children and there's little likelihood of their becoming anti-social." Squire is the medical examiner of Westchester County, New York, and formerly was chief physician at Sing Sing.

Will Resume Broadcasts: Mrs. L. L. Lampert will resume her radio broadcasts at 3:15 o'clock Monday afternoon from a nearby station. Mrs. Lampert, whose earlier talks dealt with the Army post life in Alaska, is starting a series of talks on a trip down the Yukon river to the Bering Sea.

Ivan Shanebrook, Hanover street, conducted the formal opening of his service station at the site of the old tabernacle at the corner of Fourth and Hanover Streets today.

E. F. Hartman Dies: Edward F. Hartman, 88, died Sunday morning from the infirmities of age at the home of his son-in-law and daughter, Mr. and Mrs. J. Howard Walter, Arendtsville. Mr. Hartman had vivid recollections of the battle of Gettysburg which was fought when he was 14 years of age. The day after the battle he and his father walked to Gettysburg from their home near Arendtsville. He saw President Lincoln when he came here to dedicate the National Cemetery. Surviving are his wife and three daughters, one son, five grandchildren and six great-grandchildren.

York Springs: The municipal water company is planting several thousand pine tree seedlings around the springs and the reservoir to form a water shed. The work is being done by students of the local high school.

Thomas Wolfe, New York City novelist, visited his cousin, Edgar E. Wolfe, and family, Mr. Wolfe, whose father, Oliver, formerly resided in this community, was enroute to Asheville, N. C. where his mother now lives. Mr. Wolfe was accompanied on his visit here by Miss Catherine Brett, of Dingman's Ferry.

W. Roy Starry, principal of the local high school who was painfully injured while pruning trees on the campus Thursday, is getting along as well as can be expected. He will remain at the Annie M. Warner Hospital for another day.

Edward Lerew will celebrate his 89th birthday May 1st. Mr. Lerew dug his own garden this spring and planted it.

Aids Rescue: Three Mount St. Mary's College students used their automobile trailer Monday to rescue two persons from the flood waters of Tom's Creek, about a mile and a half south of Emmitsburg. The students were Joseph Rosensteel, of Gettysburg; Joe Sweeney, of York; and Hugo Sackett, of the Bronx, N. Y. The automobile of a man and woman slid off the road into four feet of swirling water. The car and occupants were in danger of being washed into deeper water. The students backed their trailer into the water near the foundered car and helped the two marooned persons to climb aboard, then pulled the trailer back on the road. Rosensteel is a son of Mr. and Mrs. George D. Rosensteel.

Today's Talk

THE REALIST
We hear much about the writer or artist who is styled a "realist." I am not certain just what is meant by this term, unless it be that the individual imagines he is depicting what he sees, exactly as he sees, or rather as the object itself actually is.

If this is anywhere near the truth then, of course, we are always sure to visualize just the opposite — for no two eyes ever see the same thing in the same way.

But if an artist or writer is able to make us feel the thing he or she writes about or depicts in a picture, then, we are brought very near to the realist.

My kind of realist is that artist who will so draw that one is attracted to his or her picture every time one views it, and that author who so writes that one is fascinated by the lines and pages which keep one's eyes open far into the night.

The editor who gets a manuscript that so holds his or her attention that it can't be dropped until finished, is pretty sure to have found a rare gem.

Take Stephen Crane's "Red Badge of Courage." It is a short story, but so real and true that you would swear the writer was an ex-soldier who had gone through the exact experiences described. Yet, at the time of writing, Crane had never smelled gun powder or been near a battle line. Such a writer is a true artist.

It is a waste of time to read a book that does not teach you something or does not take you into experiences that in some way or other have been your own, or does not touch some responsive cord that vibrates beauty and sensual loveliness.

After all, the realist must make you feel the truth, or arouse you to the point where you want to learn the truth.

Tomorrow Mr. Adams will talk on the subject: "Jumping At Conclusions"

Just Folks

FRIENDSHIP'S PROBLEM
What to do when comrades err? What to say when friendship strays?

How to counsel him or her Whom we can no longer praise? How from bitterness and shame One who's falling to reclaim?

How to know what words to use? If to speak or to refrain? How the proper hour to choose? Will the wish to help be vain? Will he stay with us to hear Or ask why we interfere?

Is it friendship to be still Seeing danger drawing nigh? When the throng is speaking ill? Should a friend make no reply? Seeing worth about to stray Must we always silent stay?

There are questions which arise Many times a lifetime through And the wisest of the wise Seldom knows what's best to do Since so few the difference sense 'Twixt good will and impudence.

Van Swearingen Rail Empire Changes Hands: A Pennsylvania philanthropist and two New York investment bankers — all in their forties and heretofore comparatively unknown in powerful financial circles — stepped into the limelight Monday as purchasers of the controlling block of securities in the vast Van Swearingen railroad empire. The three are Allen P. Kirby of Wilkes-Barre, son of one of the founders of the Woolworth chain; Robert R. Young and Frank F. Kolbe of the Stock Exchange firm of Young, Kolbe and Co. The purchase price was not disclosed but Wall Street analysts have figured the current market price of these securities dominating the various interlocking companies, giving control to some \$3,000,000,000 worth of railroad and real estate, at around \$8,000,000. Kolbe read a statement on behalf of the buyers, saying the purchase was made "with a sense of responsibility to the general public. IS HAIR SPRAY A CAUSE FOR LUNG DISEASE?

By THE ASSOCIATED PRESS
Possible hazards in hair sprays, polio vaccine and tooth banks are topics of medical reports:

HAIR SPRAY HAZARD?
A medical study raises suspicions that hair sprays may cause lung diseases in some women, and men who work as hair-dressers.

There is no proof this happens, and thousands of women have used the sprays without any apparent harmful effects, says a team of doctors.

But they tell of 15 women and men who possibly suffered lung damage from breathing in particles of resins used in hair sprays. They found evidence of lung damage either in X rays, in examinations of bits of tissue, and in autopsies of three women.

POLIO VACCINE
The new live-virus polio vaccine now is becoming available, but a committee of the American Academy of Pediatrics sees no emergency or urgency to give it to persons who have already had the full series of killed-virus of Salk vaccine shots and boosters.

Most paralytic polio occurs now among persons who didn't get Salk vaccine, it says. The specialists urge more effort to use the Sabin or live-virus vaccine in persons who as yet have had no vaccination. The Sabin vaccine offers several advantages, and "is best used on a community wide basis whenever an epidemic of polio strikes an area."

EXTRA TEETH
One day you may be able to call on a tooth bank to replace missing teeth.

As an initial step, teeth have been preserved and grown outside the body in research by Dr. Robert Gersner at the New York University Dental Center. Teeth in early stages of growth can be treated with an anti-freeze, glycerol, and then freeze-stored for years. They grow normally again after quick thawing.

Says Tax Structure Favors Businesses

HARRISBURG (AP)—A new, liberalized industrial tax structure has made Pennsylvania "intensely and honestly competitive" with every other state in the union, says Commerce Secretary Thomas J. Monaghan.

"When industry wants to move, or expand its facilities, it will find Pennsylvania's business taxes fair and equitable," Monaghan told a Lions Club luncheon in Harrisburg Tuesday.

More and more industries are deciding in our favor," he declared.

Monaghan credited Pennsylvania Democrats with creating the new tax structure that "was built to end the dependence of government on corporation taxes and to place the burden on a more equitable basis."

Poetry-Writing Nun Has Definition

PITTSBURGH (AP) — Modern poets are missing the point, says a Roman Catholic nun who writes poetry herself.

"To create beauty in order to give delight, to make out of truth a form of beauty" are the real functions of poetry, Sister Madeleva, C.S.C., told a news conference Tuesday.

But, she said, "Modern poets are talking about their digestive systems, their empty skulls, and of the refuse of humanity."

A professor of English at St. Mary's College at Notre Dame, Sister Madeleva was in Pittsburgh to address the annual conference of the Catholic Library Association.

Reach \$130,000 Damage Settlement

PITTSBURGH (AP)—A widow and a daughter of a Kittanning haberdasher killed in a traffic accident have reached a \$130,000 settlement with a Pittsburgh trucking firm.

Ardell G. Campbell, 49, was killed Oct. 2, 1959, when the brakes of a Schreiber Trucking Co. Inc., tractor-trailer failed on hilly Route 422, collided with Campbell's car and knocked it into the Allegheny River. The accident occurred one-half mile west of the Kittanning Bridge.

The settlement Tuesday ended a damage trial which began Monday before Judge John W. McIlvaine of U. S. District Court. The suit was filed by attorney James P. McArdle in behalf of Mrs. Thoma Campbell and her daughter, Nancy.

SELECT JURY FOR YOUTH'S TRIAL

BUTLER, Pa. (AP)—Prosecution and defense attorneys completed selection of a jury Tuesday for the murder trial of 17-year-old Charles C. Ganss Jr. of Cabot.

The jury of seven women and five men plus two women alternates was chosen over a two-day period for the Butler County trial in the arson death of Mrs. Pauline Ritter, 67, also of Cabot.

The state charges that Ganss and Donald H. Montgomery, 19, of Brackenridge, entered the Ritter home on Jan. 19, took \$12 and two diamond rings, then shoved Mrs. Ritter and her husband into separate closets and set fire to the house.

Raymond Ritter, 67, escaped from the burning home, but his wife perished.

Montgomery faces trial later on murder charges. Morris Steinhiser, 19, of Cabot, is awaiting trial on accessory charges.

DICK POWELL'S COMEDY SHOW IS DEFT TOUCH

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP) — There are times when it seems that television land is inhabited exclusively by cowboys, crime fighters, and comedians.

That, in itself, wouldn't be so bad, but the comedians seem to be night club graduates who have taken their old routines in Danny Thomas style, into what television fondly believes a home like yours and mine—except our homes don't have those wall to wall laugh tracks.

Therefore, it is nice to report that Dick Powell, just about the last of the urbane comedy actors, is still adding a deft touch to amusing shows that fall a bit south of Noel Coward, but far north of "Pete and Gladys."

HAPPY EXAMPLE

Tuesday night was a happy example—a slight tale about a corporation lawyer retained to protect a poor working girl who had been plagiarized.

The girl, however, was a stripper of high principles whose choreography had been snatched by a rival. It was a funny idea and Powell and his aides made the most of it.

The anthology series, which has included serious as well as comedy shows, has been renewed for another NBC season. It should be — it's one of television's best hours.

DAYTIME CHANGE

CBS is planning a complicated realignment of its daytime schedules starting on June 18. Most interesting will be the start of a Monday-through-Friday afternoon version of "To Tell the Truth," the amusing guessing game which will continue in its Tuesday evening spot.

In the process of making room for the panel show between 3:30 and 3:55 p.m., two audience participation programs bite the dust — "Video Village" and "Video Village Jr.," a children's version of the game on Saturdays.

Also disappearing will be "The Clear Horizon," a recent addition to the ranks of soap operas that didn't catch on despite its Cape Canaveral setting.

Two vintage dramatic series will be expanded. "Brighter Day" will move into the morning line-up (11:30-11:55) and "The Secret Storm" will start 15 minutes earlier (4:43-5 p.m.).

Thursday's Game
Hanover at Biglerville.

Don Young's Gettysburg High School baseball team notched its first victory of the season following two losses by edging Biglerville 4-2 here Tuesday afternoon in a South Penn League game as Tom Duane turned in another fine two-hit pitching performance for the victors.

Duane was forced to pitch himself out of several holes brought on by the Warrior defense which was charged with no less than seven errors.

The Cannons, losing their fifth game against one triumph, scored on a pair of errors in the opening frame. Gordon Harvey was safe on an infield error, stole second base and raced home when an overthrow took place at third base.

Gettysburg tied the count in its half of the same frame on a single by Dennis Breighner and a double by Dick Crist.

The Warriors picked up two tallies in the third. Breighner walked and Tommy Collins singled. Both advanced on a balk and then Gary Nelson singled home both runners.

Johnny Longenecker doubled following Paul Plank's single to account for the Warriors' final run in the sixth.

Biglerville scored its last run in the top of the seventh. Bob Garretson, batting for Terry Herman, walked and went to third base on a wild pitch from where Tom Heckenluber, batting for Gary Bream, singled him home.

John Holoka, regular Warrior catcher, was taken to the Warner Hospital just prior to the game when a ball bounced and struck his eyeglasses during warm-up practice.

The Warriors meet Delone here in a nonleague game Thursday at 4 p.m. Biglerville will meet Hanover on the Cannons' field Thursday in another league game.

SPAHN HURLS 311TH AT 41

MILWAUKEE (AP)—Don't get the rockin' chair ready for Warren Spahn yet. The Milwaukee southpaw great is out to prove he's just as good at 41 as he was at 40.

Spahn moved ahead of his 1961 pace by hurling the Braves to a 2-1 decision over the Philadelphia Phillies Tuesday night. It marked his 311th National League victory since 1946.

"I didn't win my first game last year until my 40th birthday, so I guess I'm more than one game ahead," Spahn said. "But I won't complain if I wind up with the same type of season as last year. No pitcher will complain about 21 victories."

Handed the starting assignment against the Phillies a day after his 41st birthday, Spahn evened his season record at 2-2. His two victories represent exactly half the Braves' total in 13 games.

John Holoka Suffers Injured Right Eye

Johnny Holoka, 17, varsity catcher on the Gettysburg High School baseball team, may be lost to the Warriors for the remainder of the season as the result of an eye injury received during a warm-up drill prior to Tuesday's game with Biglerville.

Holoka was struck in the right eye by a ball during a "pepper" drill, shattering his eyeglasses. Preliminary examination showed no penetration of the eye by glass and no retinal injury although study is still continuing. He suffered a hemorrhage of the right eye and confusion of the eyelid. A slight improvement in vision was reported this morning.

Holoka is expected to remain a patient at the Warner Hospital for about a week. He is the son of Mrs. Elizabeth Holoka, R. 1.

Eastern League

By THE ASSOCIATED PRESS

Costen Shockley, the young first baseman from Georgetown, Del., who hit .360 as a Class C rookie in the Pioneer League last year, is off to a blazing start in the Class A Eastern League.

Shockley, who collected two singles and a sacrifice fly in four trips to the plate in Williamsport's 10-4 victory over Springfield on Monday night, was instrumental in the Grays' 5-4 victory over the Giants Tuesday night in 12 innings.

In the only other game, Binghamton defeated Elmira 4-2. Charleston at York was postponed because of a power failure.

WIN IN 12TH

Actually, Dick Edwards' single drove home Gerry Griffin, who had tripled, with the winning run for Williamsport in the 12th.

But it was Shockley's two-run single in the ninth which helped tie the score when the Grays rallied for three runs to overcome a 4-1 deficit Shockley also collected a double in five trips to the plate.

For the second time in his comparatively brief major league career, Koufax equalled the major league strikeout mark when he fanned 18 Chicago players Tuesday as the Dodgers routed the Cubs 10-2.

That gave the 26-year-old Brooklyn native a career total of 992 strikeouts in 960 innings, an average of better than one strikeout per inning.

NO OTHER PICTURE

No other pitcher in the history of baseball averaged a strikeout an inning. Not even Walter Johnson, the all-time whiff king of the majors, or such other strikeout artists as Bobby Feller, Rube Waddell, Lefty Grove and Christy Mathewson did it.

Pittsburgh won its 11th game in 12 starts, defeating San Francisco 7-4, the same score by which Cincinnati downed the New York Mets. Milwaukee defeated Philadelphia 2-1 and Houston shaded St. Louis 4-3.

Tommy Davis and Duke Snider drove in seven runs between them as the Dodgers clubbed loser Don Cardwell and three relief pitchers for 12 hits. Davis drove in four runs with a home run and single. Snider batted in three with a home run and triple.

8 OF FIRST 9

Koufax, fanning eight of the first nine batters he faced, finished with a flourish, striking out the side in the ninth for his third victory in four decisions.

Sandy's 18 strikeouts matched the record set by Cleveland's Bob Feller against Detroit on Oct. 2, 1936 and later equalled by Koufax against San Francisco on Aug. 31, 1959. This is a National League daytime strikeout record since Koufax' 1959 effort was achieved at night. Feller accomplished his feat in an afternoon game.

The league-leading Pirates put five of their seven hits together for a five-run fourth inning against loser Juan Marichal as Al McBean registered his second triumph. He needed ninth-inning help from Elroy Face. Catcher Don Leppert homered for the Bucs.

WALKS 11 BATTERS

The Reds scored four runs in the first against New York starter Craig Anderson and went on to inflict the 10th defeat on the Mets, who have won only one game. Cincinnati rookie Sam Ellis allowed only one hit but was replaced by Moe Drabowsky in the sixth after walking his 10th and 11th batters. Wally Post hit two doubles and a home run, Vada Pinson also homered and Eddie Kasko had three hits for the Reds.

Warren Spahn scattered nine Philadelphia hits and doubled home the Braves' first run. Eddie Mathews' fifth home run accounted for what proved to be the winning run. Three straight hits after two out in the ninth ruined Spahn's bid for his 56th lifetime shutout but he tossed out the final Philly batter himself to preserve his second victory of the season and 311th of his major league career.

Southpaw Hal Woodeshick pitched a six-hitter for Houston against St. Louis and ex-Cardinal outfielder Don Taussig homered in the sixth, off loser Larry Jackson, for the clincher.

Sammy Taylor Is Suspended

WOODRUFF, S.C. (AP)—"My family means more to me than baseball," says the Chicago Cubs' suspended catcher, Sammy Taylor.

After returning to his home Tuesday, Taylor said he will quit baseball if he is not traded.

Earlier Cub Vice President John Holland said in Chicago that Taylor was suspended for failing to show up for Tuesday's game with the Los Angeles Dodgers.

Taylor said he was not making enough money to keep up two homes, in Chicago, and in Woodruff, where his wife prefers to live with their daughter, 4.

Benefit Party For Fairfield LL

A benefit party for the Fairfield Little League will be held Friday evening at 8 o'clock in the Fairfield community fire company hall.

It was revealed today the Fairfield League will again be able to use the field at Fairfield High School for the coming season due to a delay in planned building operations at the school.

Colonials Lose 5th Golf Match

New Oxford High School's golf team lost its fifth decision in six matches when it bowed to North Penn 15½-4½ in a Central Penn League affair Tuesday on the Range End course, Dillsburg.

Jim Kemp was the Colonials' lone winner, defeating Jim Otto 3-1 with a 95.

Bob Huffman, Northern, was the medalist with an 81.

Other match results were: Huffman, N, defeated Jim Baker, 3½-4½; Dave Stoner, Northern, defeated John Menges, 4-0; Chuck Grove, Northern, defeated Bob Myers, 4-0; Mark Constantine, Northern, defeated Wayne Hull, 3-1.

Today New Oxford meets York at Abbottstown in a makeup league match.

WANT MOSS TO QUIT CAR RACING

LONDON (AP)—The parents of badly injured racing driver Stirling Moss said today they want him to quit the sport that has made his name a legend.

"You can't go on seeing your son have accidents without wanting him to give up," said Alfred Moss, the driver's father, who has been with him constantly since Monday's crash at the Goodwood track.

"Stirling knows that I have felt like this for a long time."

Her son is unconscious in a South London hospital which specializes in brain surgery.

Moss suffered serious head injuries in a 100 miles per hour smash at an Easter Monday race meeting watched by 100,000 fans. Early morning bulletin on his condition said he had maintained his "slight improvement" of Tuesday throughout the night.

A benefit party for the Fairfield Little League will be held Friday evening at 8 o'clock in the Fairfield community fire company hall.

It was revealed today the Fairfield League will again be able to use the field at Fairfield High School for the coming season due to a delay in planned building operations at the school.

Colonials Lose 5th Golf Match

New Oxford High School's golf team lost its fifth decision in six matches when it bowed to North Penn 15½-4½ in a Central Penn League affair Tuesday on the Range End course, Dillsburg.

Jim Kemp was the Colonials' lone winner, defeating Jim Otto 3-1 with a 95.

Bob Huffman, Northern, was the medalist with an 81.

Other match results were: Huffman, N, defeated Jim Baker, 3½-4½; Dave Stoner, Northern, defeated John Menges, 4-0; Chuck Grove, Northern, defeated Bob Myers, 4-0; Mark Constantine, Northern, defeated Wayne Hull, 3-1.

Today New Oxford meets York at Abbottstown in a makeup league match.

WANT MOSS TO QUIT CAR RACING

LONDON (AP)—The parents of badly injured racing driver Stirling Moss said today they want him to quit the sport that has made his name a legend.

"You can't go on seeing your son have accidents without wanting him to give up," said Alfred Moss, the driver's father, who has been with him constantly since Monday's crash at the Goodwood track.

"Stirling knows that I have felt like this for a long time."

Her son is unconscious in a South London hospital which specializes in brain surgery.

Moss suffered serious head injuries in a 100 miles per hour smash at an Easter Monday race meeting watched by 100,000 fans. Early morning bulletin on his condition said he had maintained his "slight improvement" of Tuesday throughout the night.

ED MURROW COMMENTS ON BURMA MOVE

LEWISBURG, Pa. (AP)—The United States is looking forward to the day it can renew its educational ties with Burma, says Edward R. Murrow, chief of the U.S. Information Agency.

Speaking to an audience of Bucknell University students Monday night, Murrow deplored the action of Burma's new military government in calling off its educational exchange programs with the U. S.

Education is the wave of the future and the United States anticipates the time when Burma and other newly independent nations "will provide more educational assistance to the very new independent nations of Africa," the former television and radio commentator declared. He added:

SCHOLARS BARRED

"This the Burmese can do in assuming their role in world leadership for attacking problems of an international scale. We do not deny the sovereign rights of Burma to review foreign activities in its own land."

"But the ties between us in the past have been many and close. We hope that the time will come when they will and indeed must be renewed."

Murrow's comments stemmed from a recent announcement by General Ne Win, requesting that the eight American Fulbright scholars usually sent to Burma each year be kept in America during the 1962-63 scholastic year. Ne Win also asked the Asian Foundation and the Rockefeller Foundation, both private institutions, to end their activities in Burma by next fall.

The general, who assumed power on March 2 in a bloodless coup, explained that the action he took was in line with Burma's policy of non alignment. It is understood that he also is reviewing several United Nations projects with the idea of curtailing them.

Ohio State, with an enrollment of 25,472, played Wake Forest, with 2,869 students, in the first round of the 1962 NCAA basketball playoffs. Ohio State won.

Marvin Huffman of Indiana was named the most valuable player of the first NCAA basketball tournament, played in 1940.

Mother, 3 Children Are Found Dead

DELAWARE, Ohio (AP)—Authorities worked today to try to piece together a story of violence which left a 37-year-old mother and her three children dead.

The four bodies were found Monday when the husband and father, Wallace D. Cox, a railroad engineer, returned from a run and found his wife, Janice, sitting dead in a chair with a bullet wound in her head and a .32 caliber automatic at her feet.

A daughter, Teresa, 8, was found lying on a couch in the living room with a bullet wound in the head.

Upstairs, Cox found his daughter, Elizabeth, 5, on a bed with a plastic bag tied over her head. His 10-year-old son was on the floor. He had been hit on the head several times. A stocking was tightly knotted around his neck. A hammer was near the body. Sheriff Harley Wornstaff said the house was covered with blood and there was evidence that a fierce struggle had occurred between the boy and his mother.

The hysterical father is in Jane Case Hospital here suffering from shock.

He said his wife had been depressed for about six months and had had some mental treatments.

Maryland Forest Fire Controlled

GLEN BURNIE, Md. (AP)—Some 500 men manning 40 pieces of equipment fought a wind-whipped forest fire in Anne Arundel County Monday and brought the blaze under control after it had raced through 150 acres.

The fire destroyed a firefighting truck and caused minor injuries to four firemen of the state's Forestry Division.

The shifting flames isolated seven men at one point, but they managed to escape unhurt.

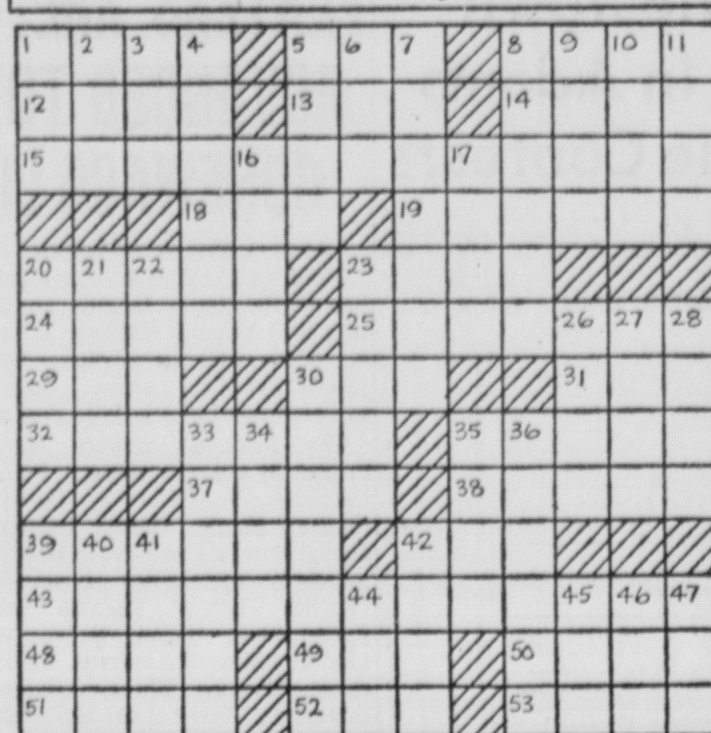

Ten homes were evacuated as the fire spread from its center, about a mile southwest of here.

Two helicopters hovered over the holocaust and relayed information on the fire's progress to firefighters below. They were from Ft. Meade, Annapolis, Baltimore, Baltimore County and from 17 volunteer units in Anne Arundel County.

Ft. Meade and the state's Forestry Division each supplied a helicopter. The Army base also rushed 200 firefighters to the scene.

Six of the firefighters thought to have been missing were from

SAY FALLOUT IS DOUBLED

By FRANK CAREY
Associated Press Science Writer
WASHINGTON (AP)—One of the world's leading authorities on fallout said that radioactive debris from the Soviet Union's atomic test series last fall is expected to be about twice as plentiful this spring and summer as the fallout was following the Soviet tests in the autumn of 1958.

Dr. Willard F. Libby, former member of the Atomic Energy Commission and still a member of AEC's Advisory Committee, told a reporter, "Even though Russia's 1961 series was a 'cleaner' series, relatively speaking, in comparison with the (fall) 1958 series, the fallout still will be twice as big as it was in 1958."

NOT IN CONFLICT

Libby's views were not in conflict with those of the AEC which has said radiation to humans from all nuclear tests since 1945—including the Soviet Union's 1961 bursts—will remain within acceptable limits.

The vehicle was manned by Herald Harbor volunteers, all of whom leaped off the truck and escaped.

able health limits.

His figures, however, were the first given by anyone related to the AEC making a direct comparison between the fallout from the 1961 Soviet tests and that from the tests of autumn 1958.

Libby estimated that the peak of the fallout from the 1961 Soviet tests would be reached relatively soon. He indicated this might come in late May or early June, then taper off in the next month or so.

SIX MEMBERS OF AP BOARD ARE CHOSEN

NEW YORK (AP)—Members of The Associated Press have re-elected six members of the 18-member board of directors.

Results of the balloting Monday at the annual meeting of the news cooperative were tabulated and announced early Tuesday.

The directors re-elected were those whose terms had expired. The nominating committee nominated them and six additional candidates. At least two nominations for each vacancy are required.

KENNEDY SPEAKS

Those re-elected were: Millard Cope, Marshall (Tex.) News-Messenger; Robert McLean, Philadelphia Evening and Sunday Bulletin; Kenneth MacDonald, Des Moines (Iowa) Tribune; Franklin D. Schurz, South Bend (Ind.) Tribune; John W. Runyon, Dallas (Tex.) Times Herald; and Hugh N. Boyd, New Brunswick (N.J.) Daily Home News and Sunday Times.

Boyd was re-elected for cities of less than 50,000 population.

After the annual AP luncheon, which was addressed by Atty. Gen. Robert F. Kennedy, Paul Miller of Rochester, president of the Gannett Newspapers, presented an illustrated narrative at a business session on the AP's worldwide operations.

"BLUE CHIP" CONCERN

Miller said that "if The Associated Press were a stock corporation, it would qualify clearly as a growth blue chip."

"In the United States alone," Miller said, "AP is now serving 1,749 publications and 2,263 broadcasting stations. The number of subscribers abroad is even higher. In all, AP news and photos are being distributed in 86 countries to more than 8,000 newspapers and broadcasting stations—an all-time high."

Miller said the annual resources of the AP had grown 230 per cent since 1941 in staying abreast of the job of keeping the public informed.

BUILD-UP FOR THE LEGLINE.

A teen lovely asks: What can be done for spindly legs? Mine look like match sticks.

The Answer: The solution to thin, shapless legs takes three forms. It works for teens and ump-teens, too.

The first step is spot-increasing exercise. This type of workout develops the muscles. Of themselves strong muscles increase contours. They also have the power

er to attract and hold flesh.

For building up the entire length of the legline, this routine is magical: Sit on the edge of a straight chair, and hold onto the seat for balance. Keeping knee straight, raise right foot until heel is level with waist. Slowly bend foot forward and backward five times, each direction. Return foot to floor and repeat with left leg. Alternat-

ing sides, perform 10 times with each leg. Always work for tension in thigh, calf and ankle. Within three months, daily effort brings noticeable results.

The next move is a weight check. If you are "top heavy" the legs will appear slimmer than they really are. Then, you should combine a reducing diet with leg-increasing exercises. The underweight damsel should team a gaining diet and exercise.

Lastly, analyze your walking habits. Is your step almost soundless? A light step takes muscular control. The more you achieve, the neater the leg contours. You gain curves where curves ought to be!

MORE CURVE FOR THE LEGLINE

If your loveliness problem is thin, shapless legs, send for my leaflet, MORE CURVE FOR THE LEGLINE. It shows how to build up contours with spot-increasing exercise. The leaflet also includes your ideal leg measurements, and tips on a graceful stance as well as flattering footwear. Say Lawrence Held Down Employment

UNIONTOWN, Pa. (AP)—The

Lawrence administration created "planned unemployment" by a "deliberate slowdown" in the interstate highway construction program, a candidate for the Republican gubernatorial nomination says.

"The (federal) interstate system was approved back in 1956," J. Collins McSparran said Monday night, "and Pennsylvania has been allotted 1,556 miles of the grand total for the nation. Yet in the six years that have passed, two Democratic administrations have built only 234 miles of expressways."

"We should be building at two or three times our present rate in order to have our portion completed by the target date of 1972," he added. "Other states are even with, or ahead of schedule, but not Pennsylvania."

Speaking to a fund-raising dinner, McSparran concluded that "by unnecessarily delaying the letting of these contracts, I say the Lawrence administration has deliberately contrived and carried out planned unemployment."

Expect Ocean City, Md., To Be Ready For May 30

By DAN DONAHUE
OCEAN CITY, Md. (AP)—Austin Moore put down his brush dripping with yellow paint, rested his arm on the ladder and squinted into the sun.

"I'm darned lucky, one of the few lucky ones in North Ocean City," he said, "There were five houses on this street and there are only two of us left standing."

Moore figures that the March 6-7 tidal storm that pounded the Atlantic seaboard cost him about \$1,200. Protected by a natural sand dune, he lost stairs and shower stalls, had about a foot of water in the first floor.

TYPICAL OPTIMISM

A jumble of wood, stone and metal is all that remains of the house in front of Moore's. His next door neighbor's place was yanked from its cinder-block foundation and dropped 150 feet further back from the ocean — with the dishes still stacked in their cabinets and not a window broken.

Moore's optimism typifies the spirit in Ocean City, even among those who suffered heavy damages—or lost everything they had.

The savage sea, driven by a 45-mile wind, crushed houses like matchboxes. Appliances and automobiles were tossed about like toys or buried in the sand. Two-thirds of the three-mile boardwalk was ripped from its moorings.

50 HOMES GONE

The Atlantic Ocean and Sinepuxent Bay joined in some places as the water cut a 50-foot channel through the finger of land which supports this summer resort town 49 blocks long and 4 to 5 blocks wide. When the nightmare ended,

debris-littered sand was piled to three feet deep on the main street. There was one death, the drowning of James Wilson, 53-year-old bus driver.

State officials estimated damage within the town at almost \$3.5 million. About 50 homes and 15 businesses were destroyed, another 250 homes and 150 businesses damaged. For the entire county, the estimated loss was \$7.5 million.

Signs of the worst storm in Ocean City's history still can be seen as you walk along the beach where the boardwalk used to be. But the community is returning to normal surprisingly fast as the 1,000 permanent residents and all those who own summer cottages plunge into the cleanup operation.

REBUILDING BOARDWALK

Pile drivers and house movers are much in demand as motel operators and home owners rebuild. Two huge piles of debris have been burning day and night since the storm. Road crews are patching the pockmarked pavement. Piling are being driven for a new boardwalk.

Ocean City Mayor Hugh Cropper is optimistic. He believes the \$400,000 boardwalk will be finished May 1 and the resort ready for business on Memorial Day, traditional first day of the summer season.

Tommy Lee and Omar Khayyam are the only Kentucky Derby winners bred outside of the United States. Tommy Lee won in 1959 and Omar Khayyam in 1917. Both were foaled in England.

By ERNEST FISCHER

NEW ORLEANS, La. (AP)—An official of the pro-segregation Citizens Council says unnamed donors have agreed to underwrite the cost of a special train to move Negroes northward.

The claim from George Singelmann came after an official of the National Association for the Advancement of Colored People asked Negroes to ignore the segregationist offer of free one-way tickets out of the South.

Singelmann, a director of the Citizens Council of Greater New Orleans, said in an interview Monday night that donors whom he declined to name have underwritten a special train to cost \$20,000. The train would handle about 1,000 passengers.

TRAGIC MISTAKE

Clarence Laws, regional secretary of the NAACP, said it would

have been feuding about what Wright claimed is a shortage of guards at the institution. Officials said if there is any shortage it is because certain guards are abusing sick leave privileges.

be a "tragic mistake for Negroes to assume that they can go to New York or any other northern city on a one-way ticket furnished by segregationists and obtain the same success which apparently has come to the Louis Boyd family of New Orleans."

The Boyd family—parents and eight children—were given bus transportation and incidental expenses to New York last week. They were put up in a hotel suite and showered with attention, groceries and cash.

Boyd, a dock worker who had been unemployed in New Orleans for six months, took a \$100-a-week job Monday as a handyman and freight handler at Jersey City, N.J.

Two busloads of Negroes were to leave for Washington Wednesday, but Singelmann said he was occupied in Baton Rouge on the train project, and did not have time to make final arrangements for the trip. He said two buses would head for Washington and one for New York later in the week.

Singelmann said many applications have been filed, and the only problem now is to arrange transportation on convenient dates.

No questions are asked, Singelmann said, as long as the applicant is a Negro and is dissatisfied with his lot in this area. Most applications, he said, are for New York City.

SENATE SEES FILIBUSTER ON LITERACY BILL

By JACK BELL

WASHINGTON (AP)—Southern Democrats attacked the Kennedy administration's literacy test bill as unconstitutional Tuesday as the Senate braced itself for a platoon-style filibuster.

Sen. Lister Hill, D-Ala., directing three teams ready for rotation in a talk marathon, said in a statement the bill attempts to give the federal government authority denied it by the Supreme Court as recently as 1959.

Hill cited a decision in which the court upheld North Carolina's literacy test for voters with the statement that this involved "the exercise by the state of a lawful power vested in it."

21 STATES HAVE TESTS

Twenty-one states have tests of this nature which supporters of the administration measure contend have been used to prevent Negroes from voting.

Senate Democratic Leader Mike Mansfield of Montana has given notice he will move to attach the bill to a minor measure now pending before the Senate. The bill would substitute for state literacy

tests a provision under which completion of a sixth-grade education would qualify voters to cast ballots in federal elections.

Mansfield's move is certain to touch off a filibuster which may run 10 days before he and Senate Republican Leader Everett M. Dirksen of Illinois seek to invoke the Senate's cloture rule to limit debate.

HAVE DOUBTS

To cut off the talk, the two leaders will have to have the backing of two-thirds of those voting on the cloture proposal.

As matters now stand, Senate strategists doubt that Mansfield and Dirksen can muster the necessary support. If they fail, the literacy bill will remain in the Senate Judiciary Committee, a graveyard for many civil rights proposals. The Senate then would turn to other business.

SAY IKE HAD STATED HIS MISGIVINGS ON U2 FLIGHTS

NEW YORK (AP)—President Dwight D. Eisenhower expressed fear at the time he approved the U2 spy plane program in 1955 that one of the planes might fall into Soviet hands, an article in *Look* magazine says.

That was five years before the U2 piloted by Francis Gary Powers crashed in the Soviet Union, heightening the crisis in relations between the two nations.

An article in the current issue of the magazine quotes friends of Eisenhower as saying he told advisers when he approved the program: "If one of these planes is shot down, this is going to be on my head. I'm going to catch hell. The world would be in a mess."

The article quoted the advisers as replying that the Soviets wouldn't disclose it because they wouldn't run the risk of being humiliated by the revelation that their spies had been invaded repeatedly.

"The President was not convinced," the magazine article said. "They would protest, he felt, because that would be the only way to stop the flights."

CONTINUED MISGIVINGS

The article said the President in 1958 expressed continued misgivings about the project in a conversation with his press secretary, James O. Hagerty.

It said he told Hagerty that he often had asked the Central Intelligence Agency: "What happens if you're caught?" And the CIA always replied, "It hasn't happened yet."

The *Look* article, "The Secret History of the U2," also said that Allen W. Dulles, then CIA director, inspected records of the routine preflight psychological examination Powers took just before his last flight.

"If he (Dulles) had been the agent on the scene, he decided, he would not have sent Powers over the Soviet Union that day," the article said.

It added that Dulles "did not reveal the specific reasons for his reservations about Powers."

Powers was captured, convicted of spying and sentenced to prison. He recently was freed in exchange for Col. Rudolf Abel, a Soviet spy convicted in the United States.

The *Look* article was written by David Wise of the New York Herald Tribune's Washington bureau and Thomas B. Ross of the Chicago Sun-Times Washington bureau.

Bring Suits Over 2 Train Crashes

Two truck-train collisions at the same crossing in New Oxford are the basis of two damage suits filed in common pleas court, York, Monday, by Western Maryland Railway Company against Orville K. McCleary, Stewartstown.

The railroad asks \$1,761 damages as a result of an accident January 25, 1961, and \$3,384 damages as a result of the second accident December 11, 1961.

According to papers filed, trucks owned by McCleary became stuck along the tracks and caused the accidents.

Living Costs In U. S. Edging Up

WASHINGTON (AP)—Living costs, as measured by the government, rose two-tenths of one per cent in March to a record level.

The Labor Department reported Tuesday its consumers price index rose to 105.0 per cent of the 1957-59 average. This was 1.1 per cent above the level of March 1961.

The rise was attributed mainly to price advances for clothing, fresh fruits and vegetables, drugs, used cars and house furnishings.

On the other hand, egg prices declined sharply and there was a drop in gasoline prices due to price wars and introduction of lower octane grades.

The living cost increase will mean pay rises for approximately 67,000 workers whose wages are adjusted periodically to the government index.

Weddings

Cline-Parker

Wesley Chapel, Fountaindale, was the setting on Saturday at 1 p.m. for the pre-Easter wedding of Miss Barbara Ann Parker and Richard F. Cline.

The bride is the daughter of Mr. and Mrs. Albert Parker, Moscow R. 3, and the bridegroom a son of Mr. and Mrs. Clarence Cline, Fairfield R. 1.

The double-ring ceremony was performed by the Rev. James Barnes.

Mrs. Eugene Cline, organist, and Mr. Cline, vocalist, of Charming, presented a prenuptial recital of wedding music.

Miss Joan Van Lounderv, Moscow R. 3, was maid of honor.

C. Howard Cline, Fairfield R. 1, served as best man for his brother.

A reception was held following the nuptials in the church social room.

The couple left on a wedding trip to Washington, D. C. Upon their return the couple will reside at Blue Ridge Summit.

The bride was graduated from North Pocono High School, Moscow, with the class of 1961. The bridegroom was graduated from Fairfield High School and Shippensburg State College in 1961. He is employed as a mathematics teacher at Washington Township School.

New Jaycee Unit Setup For "Pen"

MOUNDSVILLE, W. Va. (AP)—A step to "stimulate a civic consciousness" behind the walls of West Virginia Penitentiary will be taken here Sunday.

A national officer of the Junior Chamber of Commerce will present a Jaycee charter to 37 inmates at a dinner in the prison library. This is believed to be the first Jaycee ever organized in a prison.

The inmates held an organizational meeting last week and elected James Thomas Cantrell, serving a life term for murder, as their president.

"We thought it would be very good for the inmate population," Warden Otto C. Boles said.

"It certainly should stimulate a civic consciousness among the inmates and do them a lot of good when they get out," added State Institutions Commissioner Joseph E. Hodgson.

Boles said the idea was being received enthusiastically by the prisoners.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—The elderly and the aged — with one exception, President Kennedy — are leading the world.

Kennedy at 44 is the only major world leader under 60. The rest range up from there to West Germany's Chancellor Konrad Adenauer, 86.

No wonder, then, Kennedy seems so full of bounce while the others, as the years slide by, appear more and more withdrawn.

LIST OF THE AGING

Most of them may be gone by the time Kennedy finishes a second term, provided he seeks and wins re-election. If they are, the world will be in for some rearranging which may make these days, disturbed as they are, look tranquil by comparison.

Here are some of the other leaders and their ages and the problems their passing can bring: Soviet Premier Khrushchev, 68; British Prime Minister Harold Macmillan, 68; French President Charles de Gaulle, 71; India's Prime Minister Nehru, 72; Red China's leader, Mao Tze-tung, 68; Nationalist China's President Chiang Kai-shek on Formosa, 74; Yugoslavia's President Tito, almost 70; and Spain's Generalissimo Francisco Franco, 69.

Under Khrushchev the Soviet Union has made gigantic industrial, scientific, and military progress. He has been a hobgoblin for the United States. He is no less dedicated than Joseph Stalin to world domination by communism.

But he scrapped the crudities of the dictator and Stalin's barbarisms; he rattles missiles, but he also preaches "peaceful coexistence." And he has always stopped a good bit short of precipitating war.

His passing could mean a shuddering experience inside and outside the Soviet Union, particularly if his successor wants a return to Stalin's tactics, at home and abroad.

De Gaulle has been a one-man show and a one-man boss in France for four years. The people, confronted with civil war and political chaos when he took over, gave him a blank check to save them all.

LESS COMMOTION

He has so far. Resentment against him is building up. There is no reason to think, judging from previous French history, that chaos and civil war won't explode when he disappears. No successor is in sight.

Of all the leaders outside the United States, the passing of Macmillan in Britain and Mao Tze-tung in Red China may cause the least commotion.

Britain, with its long democratic tradition, may not have much trouble replacing Macmillan with some one very much like him.

PERIL IN GERMANY

The iron wills and rigid discipline of Mao Tze-tung and the men around him, developed to brilliant degree in 20 years of preparation, is what made the Communist takeover of China possible.

His right-hand men will still be there when he goes. There has

never been any talk of rivalry among his possible heirs. The transition from him to one of them may be easy and perhaps is already arranged for.

Adenauer consistently steered West Germany into partnership with the West and away from the Communist world. His successor, whoever he is, may be less enchanted with the West, prefer a neutral position, or even a new relationship with Moscow. Here lies the chance that Adenauer's going may shake the Western alliance to its roots.

OTHER SPECULATION

The United States has put a lot of effort and money into supporting and protecting Chiang Kai-shek on Formosa. He has kept alive the myth he is still the legitimate boss of mainland China.

One guess is as good as another about Yugoslavia when Tito goes.

He split with the Soviet Union but, while accepting Western help, poses as a neutral.

As for Franco, he has been a dictator for a quarter of a century. Spain had a fierce revolution in the 1930s. It may have a worse one again.

Nehru has led India down a road of democratic socialism. But that's no assurance that his successors, in a country as wretchedly poor as India, will do the same.

Abbottstown

ABBOTTSTOWN — Parents and other workers with teen-agers are urged to attend the Family Life Institute next Sunday from 2:30 to 7 p.m. in Christ Lutheran Church here. It will deal with the things which cause tension between youth

and those in authority.

Reservations have all been made for the bus trip which the St. John Lutheran congregation will sponsor on May 12 to Baltimore, Washington, and Mt. Vernon.

The altar flowers in St. John Lutheran Church, Abbottstown, last Sunday were presented by Charles and Lloyd Swope in loving memory of their parents and brothers, Clyde and Roy. Mr. and Mrs. Sidney Sagola sponsored the bulletins for Easter. The Luther League presented the palms for Palm Sunday and Easter.

The schedule of services for next Sunday will be: church school at 9:15, the worship service at 10:30 Daylight Saving Time. There will be a workers' conference following the service.

Pastor Roger Singer, missionary on furlough from Hong Kong, will be the speaker for the spring

\$250,000 Fire In Beaver Falls Area

BEAVER FALLS, Pa. (AP)—Nourished by 4,000 gallons of paint, a \$250,000 fire destroyed a hardware store and two apartments in the Beaver Falls business district Monday. Two other apartments were damaged badly.

One fireman suffered a fractured leg and several others were treated for smoke inhalation. Fireman William Parris was taken to

rally of the United Lutheran Church Women on May 9 at 8 o'clock. The men of the congregation will be the guests of the ladies.

Doctor Gustave Weber, president of Susquehanna University, will be the guest preacher for the service on May 13.

Providence Hospital after a wall of the three-story brick building collapsed on him.

Fire Chief Ed Phillips, who estimated damage, said 75 gallons of lacquer thinner blew up about 15 minutes after firemen arrived, causing roof beams to collapse. Half of the building caved in with the beams, Phillips said.

Phillips said Ronnie Laurein, an employee at the R. C. Garvin Hardware Store, went to the basement after other employees spotted smoke and saw cans of paint exploding.

Four fire companies fought the flames for an hour and a half before bringing them under control. Phillips said cause of the blaze could not be determined immediately.

GREENEBAUM
VISITS ROTARY

Rotary District Governor Jerome D. Greenebaum, Hanover, paid an official visit to the Littlestown Rotary Club at the dinner meeting Tuesday evening in Schott's Hotel. Mr. Greenebaum showed and narrated slides which he took at the Rotary convention last year in Tokyo, and also of his visit to Hong Kong. The guest speaker was introduced by Luther W. Ritter, chairman of the Rotary Information Committee.

Howard A. Daum announced that the district convention will be held on Sunday and Monday in Lancaster. Visiting Rotarians introduced were Robert Menchey, Hanover, and William O'Brien, Lake Orion, Mich. The Rev. Christopher J. Noss, Silver Run, was a guest of Edward H. Lester, May 8.

The International Service Committee, composed of Theron W. Spangler, chairman, Cloy I. Crouse, Walter F. Crouse, Paul E. King, Paul R. Snyder, Howard A. Stoner and John D. Thrush, will be in charge of the program for the Rotary meeting next Tuesday at 6:15 p.m. at Schott's. Mother's Day will be noted at a Ladies' Night program on Tuesday, May 8.

Girl Scout Troop 777 met on Tuesday after school at the engine house in charge of the leaders, Mrs. Chester S. Byers, Mrs. Clarence J. Krichten Jr. and Mrs. I. Robert Snyder. It was announced that all badge work must be completed by the next meeting date, May 8. The troop will enjoy a trip to Washington, D. C., on Saturday, May 19, leaving town at 7 a.m. from the engine house, and plans were outlined for this trip. The following will participate in the flag ceremony for the annual Girl Scout Court of Awards on Tuesday, May 15: Nannette Hood, Dianne Byers, Thurlia Hahn, Linda Bittle and Mary Lou Miller.

Cut Scout Den No. 5 will not meet this week and the next meeting will be held on Friday, May 4, after school at the Community Center. The meeting hour has been changed due to the musical of Grades Five and Six. The Cubs going to the Shrine Circus on Saturday will leave at 12:30 p.m. from the rear of the Community Center.

CHUTES TO SAFETY

JACKSONVILLE, Fla. (AP) — Lt. Cmdr. William T. Harvey parachuted to safety Tuesday after ejecting from his disabled Navy jet fighter. Harvey, the son of Mr.

R. DILWORTH

(Continued From Page 1)

gested that the state obtain industries "which will fit our age," such as electronics and nuclear facilities.

Most of the conference was on the GOP charges that he failed to do anything about the graft and corruption in Philadelphia when he (Dilworth) was mayor.

COMMENTS ON SCRANTON

The candidate said that the only big "stink" in the past 10 years was the transit scandal, and "all the money has been recovered." "There is no truth to the charge" that he ran a poor city government, Dilworth said. He pointed out that many Republicans in the city have acknowledged the fact he did run the city properly, and backed this statement by saying 30 of the top businessmen in Philadelphia have supported him and that he has received mention from large circulation magazines of the fine job he did.

Regarding his GOP opponent, William Scranton, Dilworth said that Scranton has shown little interest in the state and that Scranton himself has expressed the opinion he is more interested in the Senate than Pennsylvania.

and Mrs. Ralph W. Harvey, Williamsport, Pa., said the craft had a flameout. It crashed in a wooded area 35 miles southwest of Jacksonville.

"I've been a vice officer for 11 years and never saw anything like this before," said detective Leonard Alter.

RAN NEWSPAPER ADS

Taken into custody were Harvey L. Braswell, 65, and his wife Sarah Ethel, 60, of suburban Rialto, and Steve F. Ference, 42, and his wife Helen, 38, of nearby Riverside. The four were charged with conspiring to commit acts injurious to the public morals and outrageous to public decency.

Braswell offered to plead guilty

at his arraignment Tuesday but the judge informed him it was not the proper time to enter a plea. A preliminary hearing was set for May 7 in Municipal Court. The couples were released under bond.

Detective Alter described the Braswells as the ringleaders. He said the two couples were arrested Monday night at the home of a young couple who had moved here from the East.

The new arrivals, police said, answered one of a number of

newspaper advertisements offering to find new friends for lonely couples. After answering the ad, they were told about a friendship club consisting of 18 couples.

Members met at the easterners' home several weeks ago. Another rendezvous was planned for Tuesday night. Police were staked out when the Braswells and Ferences arrived.

PHILADELPHIA (AP) — The Philadelphia Bulletin today quoted Eddie Gottlieb as saying he does not plan to place his proposal for sale and transfer of the Philadelphia Warriors to San Francisco before the National Basketball Association Board of Governors until the league's next meeting, May 3. "Just say I think the time isn't right now," Gottlieb was quoted as saying in a dispatch from New York by Bulletin Sports Writer Jim Heiferman. "I may have to do some lobbying."

GUILD HOLDS
APRIL SESSION

"Commitment to Christian Service" was the theme of the program at the April meeting of the Women's Guild of Redeemer's United Church of Christ held on Monday evening in the church social hall. Mrs. Marvin F. Breighner was the chairman for the program which included: opening prelude, Miss Ann Kroh, flute, and Miss Marilyn Miller, piano; Scripture, Mrs. Norman R. Lemmon; group singing, accompanied by Miss Miller; offering received by Mrs. John E. Stambaugh, who also gave the offertory prayer; skit, "The Christian Way," Mrs. Anna B. Leach and Mrs. Glenn Flinchbaugh; closing thought, Mrs. Breighner.

The business period was conducted in charge of Mrs. Flinchbaugh, president. Reports were heard from Miss Helen Jacobs, acting secretary, and Miss Malva A. Duttera, treasurer. It was announced that the Guild had given the book "Youth at Prayer" to each of the 1962 confirmands on Palm Sunday.

PLAN FAMILY NIGHT

Plans were furthered for the annual family night gathering in observance of Christian Family Week on Wednesday, May 9, at 7 p.m. in the church social hall. The congregation is invited to attend and each family should bring an item of food for the smorgasbord meal. Entertainment will be enjoyed during the evening. Mrs. Elmer W. Gail heads the committee on general arrangements for the affair.

The Guild will hold the annual Ascension Day service on Thursday, May 31, at 7:30 p.m. in the church social hall. Members of the Guilds of Christ United Church of Christ, near town; St. James'

United Church of Christ, along the Harney Rd., and St. Luke's Church, near White Hall, have been invited to attend.

The session concluded with the Lord's Prayer in unison. Refreshments were served by Mrs. Breighner and her committee. The Guild will not have a regular meeting again until Monday, September 24. Miss Helen Jacobs will be chairman of the program on the theme "Special Ministries."

A meeting of reorganization of the Littlestown Girls 4-H Club was held in the social room of St. Paul's Lutheran Church on Monday after school. Election of officers was held with the following results: president, Sally Brown; vice president, Shirley Bair; secretary, Linda Baur; news reporter, Linda Kiefer; song leader, Carolyn Kump; game leader, Anna Mayers; 4-H senators, Martha Ritter and Anna Mayers; alternate senator, Beverly Updyke.

The theme for this year's sessions, chosen on Monday, was "Let's Cook Outdoors." Mrs. Wade H. Brown and Mrs. Emory C. Gilt, leaders, were in attendance. The club will meet again on Monday, May 7, 3:45 p.m. at St. Paul's.

PHILADELPHIA (AP) — Carl R. Freehafer, 70, retired vice president of the Bell Telephone Co. of Pennsylvania, died Tuesday in Bryn Mawr Hospital.

After he retired from Bell in 1954, Freehafer went to Brazil where he was president of the Brazilian Telephone Co. until 1959. Survivors include his widow, Virginia; two daughters; a sister, and a brother.

Funeral services will be held Thursday.

Each week, during the school year, some 180 teen-age girls meet at the YWCA. These girls are from the Seventh through the 12th Grades from local schools. They are Y-Teens.

The Y-Teen activity receives overall supervision by a volunteer committee under the leadership of Mrs. Richard Bow, a member of the board of directors of the YWCA and chairman of the committee; Mrs. C. A. Hanson, co-chairman, and Mrs. Rex Maddox, secretary to the committee. Other members of the Y-Teen committee are: Mrs. Harold Streett, Mrs. Sterling Musselman, Mrs. Clifford Snowberger, Mrs. John Hostetter, Mrs. Carl Prosser, Mrs. Stanley Hull, Mrs. Glen Hofe, Mrs. Henry Ackley, Mrs. Arthur Rice, Mrs. George Olinger, Mrs. A. L. LeVan and Mrs. William Sentz.

The girls are organized by their respective school grades into six groups. Each group has the guidance of one or more college students, advisors who are with their groups during the meetings and who help with the many civic activities and other undertakings. These advisors, most of whom are from Gettysburg College, are the Misses Carol Eyer, Kathy Degnan, Evie Miller, Dorothea Sloop, Joyce Gillespie, Joyce Andrews, Judy Hoffman, Sylvia Wieder and Sue Schuler. Mrs. Eric Ruckelshaus, a member of the YWCA staff, coordinates the daily Y-Teen activities.

LITTLE LEAGUE
APPRECIATION
WEEK PLANNED

The directors of the Littlestown Chamber of Commerce made plans to cooperate in Little League Appreciation Week when they met on Tuesday afternoon at the National Bank. The week will be noted May 13 to 19 and will culminate in a parade and ceremonies on McSherry Field on May 19, when the first game of the Little League season will be played.

Many of the merchants are observing this appreciation week with the issuance of tickets to all patrons visiting their stores. On the day of the opening ceremonies, cards, the World Fellowship Festival, the Lenten breakfast and the recognition service for class officers. The Gettysburg Y-Teens are represented by two members and an adult at their yearly summer conference.

Other projects are individually sponsored by each class. These include: bake sale, car washes, spaghetti dinners, dances and picnics. The classes also provide food baskets at Christmas and Easter for needy families; favors and small gifts are made for the hospital and county home. Assistance is given to the Community Chest and other civic fund raising drives. The upper grades help in serving the Rotary Club meeting dinners held at the YWCA building.

These activities all add up to the development of the Y-Teen girl toward the fulfillment of the Y-Teen goal—"To grow as a person. To grow in friendship with people of all races, religions and nationalities. To grow in the knowledge and love of God."

\$200 will be given in cash on the field. The first award will be \$100 and others of smaller amounts of cash. The following committee from the chamber was appointed to work with the Little League officials to arrange the parade: L. Robert Snyder, Robert J. Stone, Mayor Earl L. Stites, Clarence R. Reck and Wilmer F. Dutterer. This committee will meet in the near future with the league officials to complete final arrangements. The parade will move at 1:15 p.m. on May 19; rain date is May 26. Local majorette groups and other organizations are invited to participate in the parade. An out-of-town drum corps will appear in the line-up and will give an exhibition on McSherry Field.

The session was in charge of President Marvin F. Breighner, who heard the report of Albert J. Bair, secretary. The latter reported on having written to the secretary of highways, to Senator D. Elmer Hawbaker and to Assemblyman Francis Worley concerning the resurfacing of S. Queen St., specifically the sections where it is impossible to open a car door because of the height of the curbing. The secretary also noted that the streets of the community have been cleaned and this work will be continued. It was voted to purchase a bulletin board to place at the square, and to be made available in the near future for notices of interest to everyone in the community. It was planned to have a general membership meeting on Monday, May 7, 8 p.m. at the community center.

'LIZ TAYLOR,
BURTON FUSS

ROME (AP)—Elizabeth Taylor, the troubled Cleopatra, was treated Tuesday night at a Rome hospital after an Easter seaside idyll with Richard Burton that reportedly ended in a violent quarrel.

Attendants at Salvatore Mundi Hospital said the 30-year-old film queen had come there for treatment and had returned home several hours later. They said her condition was not serious but wouldn't say what was wrong.

A secretary at Miss Taylor's villa said she went to the hospital for a personal matter. He said she did not have food poisoning, for which she had been treated at the same hospital two months ago. "PERFECTLY WELL"

The secretary also denied a report by an Italian news agency that Miss Taylor had stopped to see a doctor in Orbetello after she left Burton at Porto Santo Stefano and drove back to Rome alone Monday night.

The secretary said Miss Taylor was perfectly well today. Rome newspapers reported that Miss Taylor stormed out of Porto Santo Stefano and raced back to Rome after a violent quarrel with

KIDNAPPER TO
FACE CHARGES
IN NEW JERSEY

WILMINGTON, Del. (AP)—The government prepared today to petition U. S. District Court here for removal of William T. Kuhlman to New Jersey for further proceedings on charges of kidnapping a 20-year-old girl from that state after a date April 14.

U. S. Commissioner Edward G. Pollard ruled at a closed hearing Tuesday that there was sufficient evidence to warrant hearing by a grand jury. Pollard recommended removal of the 21-year-old Kuhlman, of Maplewood, N. J., held under \$5,000 bail to New Jersey. He said conflicting testimony prompted his recommendation. Only the girl, Mary Ann Soos, of Springfield, N. J., Kuhlman's parents, FBI agents, attorneys, court clerks and two employees of the Springfield (Md.) State Hospital were present at Tuesday's hearing.

MISS SOOS TESTIFIES

The government rested its case after presenting Miss Soos, who was brought to the hearing from her home by the FBI. Her parents did not attend.

Pollard quoted Kuhlman as saying Miss Soos threatened to accuse him of rape if he didn't take her to Baltimore to get married. Kuhlman testified that she drove part of the way, and at no time made any attempt to get help, according to Pollard.

The commissioner said Miss Soos testified Kuhlman put pills in her coffee and she didn't awaken until they were in eastern Pennsylvania. She was quoted as saying Kuhlman threatened to kill her if she tried to get away. In view of this conflicting testimony, said Pollard, he couldn't resolve the case and recommended further action be taken in New Jersey.

LIPSTICK MESSAGE

Eugene Hounshell and Bobby Bowman, the employees of the hospital, which is at Sykesville, Md., testified Kuhlman, a former patient, showed up April 15 and asked if a room was available for him and his wife to spend the night. There was no room and he left, the employees testified.

Miss Soos turned up at the hospital the next day and said she was being kidnapped. An alert had been out for her after a waitress found a lipstick scrawled message in a ladies' room in a Philadelphia restaurant saying "I'm being kidnapped" and listed a telephone number. Police traced the number

Burton, her leading man in "Cleopatra" and her constant companion since the announcement that she would divorce singer Eddie Fisher.

Burton returned to Rome alone Tuesday.

Mr. and Mrs. Chester Shue and daughters, Phyllis and Wilma, and son, John, and Glenn Jacobs visited Sunday with Mr. and Mrs. Orville Garrett and family, Hanover.

Mr. and Mrs. Harvey Miller, of Hanover, were recent visitors at the home of Miller's brother-in-law and sister, Mr. and Mrs. Allen Knipple.

Mr. and Mrs. Dwight Rinehart and daughter spent the Easter holiday with their son and daughter-in-law, Mr. and Mrs. Delroy Rinehart and family, Willowick, Ohio.

P2C Stanley Rinehart, of Ft. Benning, Ga., is spending a 10-day leave at the home of his parents, Mr. and Mrs. Dwight Rinehart.

Sunday visitors at the home of Mr. and Mrs. Clyde Wilson and family were Mr. and Mrs. Glenn Emlitt, Mrs. Mervin Bortner and son, Melvin, of Wrightsville; Mr. and Mrs. Rodney Emlitt, of York, and Michael Salisbury, who is in the armed services.

to Miss Soos' parents, who reported she hadn't returned home from a date with Kuhlman.

Kuhlman has been in custody at the New Castle Correctional Institution since his arrest by a Delaware Memorial Bridge policeman in Wilmington April 16.

AGREEMENT IS NECESSARY IN SUMMIT TALKS

NEW YORK (AP) — Premier Khrushchev has told an American publisher he agrees with President Kennedy that accord on crucial issues must precede a new summit meeting between the two leaders.

But the Soviet premier gave no ground on major East-West issues in an interview in the Kremlin last Friday with Gardner Cowles, president and editor of Look magazine and president of the Des Moines Register and Tribune Co. Khrushchev told Cowles he now agrees with Kennedy that they should meet again only if such a meeting could produce positive results.

REACH AGREEMENT

"We should first reach some agreement on the questions on which our common decision is required now to avoid a conflict and war," he said.

The Soviet leader expressed hope that a major war could be avoided, but he repeated his previously stated support for defensive war against an aggressor and

wars by subject peoples to liberate themselves.

During wide-ranging discussion that lasted nearly three hours, Khrushchev told Cowles that he thought an agreement on Berlin and Germany should precede any disarmament agreement, but that he realized the arms issue was "the question of questions."

HAD NOT BUDGED

The 68-year-old Soviet leader made clear he had not budged in his refusal to tolerate any form of nuclear inspection, which he looks on as merely a cover-up for espionage.

Khrushchev expressed belief some glimmers of hope for a Berlin and German settlement have appeared in the current negotiations between the United States and the Soviet Union. He reiterated the Kremlin condition for such agreement—withdrawal of Western troops from West Berlin.

Khrushchev placed no time limit on the current talks and indicated he is prepared to pursue the present effort to reach an interim solution without applying any sudden new pressures on West Berlin.

Ranger 4 Craft Will Strike Moon

PASADENA, Calif. (AP) — As the sun rises Thursday on the desolation of the lunar landscape, U.S. spacecraft Ranger 4 is expected to plunge from the black sky onto the surface of the moon.

Scientists say it will strike the unseen back side of the moon at 8:50 a.m. EST, exactly 63.913 hours after it blasted off from Cape Canaveral — carrying elaborate television equipment and the hopes of United States lunar experts for a close-up look at the moon.

The hopes were shattered when a timer failed and halted a sequence of maneuvers which would have brought Ranger's television eye into play as it neared the lunar surface.

But Ranger, as blind as a plunging meteor, hurtled on toward what would be a historic collision. If it strikes as expected,

AWARD MEDAL FOR SERVICES

HARRISBURG (AP) — The Pennsylvania Medical Society will confer its highest award next October on a Philadelphia surgeon who developed a life-saving device for correcting defects of the heart.

Dr. John H. Gibbon Jr., professor of surgery at Philadelphia's Jefferson Medical Center, was named Tuesday to receive the society's distinguished service award at ceremonies in Atlantic City.

Gibbon, the inventor of the heart-lung machine, will become the second physician to receive the merit citation since it was first created seven years ago.

"Because of the high standards set for the award, it is not necessarily given each year," explained Dr. Daniel H. Bee of Indiana, Pa., president of the society.

"But," he added, "Dr. Gibbon's invention of the heart-lung machine, in the opinion of the state society, certainly merits his recognition."

The only other physician to receive the distinguished service award was Dr. Jonas E. Salk of

Ranger will be the first piece of U.S. hardware on the moon. The Russians hit it in 1959.

A tiny radio is sending out steady beeps by which scientists from Pasadena's Jet Propulsion Laboratory are tracking Ranger's flight. When the beeps stop, they will know it has hit.

Family Is Killed By Flood Waters

BOLZANO, Italy (AP) — The four members of the Dietelmann family, on vacation from their home in Germany, were sunning themselves on rocks below a dam near this north Italian town, unaware that water behind the flood gates was rising toward a level that automatically opened the barrier.

Moments later tons of water crashed down on them, drowning Hildegard Dietelmann, 28, and daughter Ingeborg, 3. The husband, Reinhard, 29, a school teacher from Stuttgart, managed to save himself and daughter Ursula, 5.

KEY WEST, Fla. (AP) — Prime Minister Fidel Castro today branded as a cruel counterrevolutionary rumor the persistent report that his regime plans to take children from their parents and send them to the Soviet Union.

"It's an absurd, illogical idea," he told a nationwide television and radio audience in a post-midnight address.

Pittsburgh, developer of the Salk anti-polio vaccine.

Gibbon's machine is used in surgery to permit correction of both natal and acquired defects of the heart. Bee said Gibbon has worked on the invention since 1933.

He performed his first successful operation with the machine at Jefferson in 1953. Gibbon is a fifth generation physician. His family has been in medicine for 176 years.

ORAN, Algeria (AP) — French

troops Tuesday occupied key points in the insurgent European quarter of Oran as the first step of a sweeping plan to break the Secret Army Organization.

Infantrymen moved at dawn into three tall buildings dominating the city where 200,000 European settlers live under the spell of the secret army's illegal rule.

Indian Prime Minister Nehru Tuesday appealed to the United States and the Soviet Union not to resume nuclear testing, at least until the 17-nation disarmament conference in Geneva ends.

In a statement to Parliament, Nehru said if the United States resumes atmospheric tests, the Soviet Union will do the same and there will be no end.

Get a Quality Deal From a Quality Dealer

A Volkswagen dealer is a man of many parts.

5,008 parts, to be exact. And most of them fit any Volkswagen ever made. (Because most are interchangeable from one year to the next.) Which gives us an enormous edge, and enormous depth. We can repair any year VW. Or even build you a new one. All the parts are on hand or on tap. (That's why VW service is fast and cheap.) A fuel pump is \$9.95.* A rear fender, \$17.50. Plus installation. But what impresses people most about our service is how we treat them. Like a customer. Even for a 10c fuse. The VW is built like a \$5,000 car. Why shouldn't it get serviced like one?
